

Decision Making Rubric

	4	3	2	1
Finding Relevant Information	I know several strategies to help me find the information I need to make a good decision.	I know how to find the information I need to make a good decision.	With help, I can usually find the information I need to make a good decision.	I cannot find the information I need to make a decision.
Creating Options	I think of several possible choices when an important decision must be made.	I think of more than one option when I have to make an important decision.	When I have help, I can think of more than one option when I have to make an important decision.	I usually can only think of one possible choice when I have to make an important decision.
Weighing Options	I use a variety of reasoning strategies to weigh my options and choose the best one.	I think carefully about all my choices before I make a decision.	Unless someone reminds me, I often make decisions without thinking carefully about them.	I usually make important decisions quickly without thinking carefully about them.
Predicting Consequences	I predict the consequences of each of my decisions and think about the impact that they will have on others and me.	I think about the consequences of my decisions.	I have trouble thinking about what the consequences of my decisions will be.	I do not think about the consequences of my decisions.

Rubric Maker For Essay:

Making the Grades Todd Farley, 2011-01-01 In this alternately amusing and appalling expos of the standardized test industry fifteen year veteran Todd Farley describes statisticians who make decisions about students without even looking at their test answers state education officials willing to change the way tests are scored whenever they don't like the results and massive multi national for profit testing companies who regularly opt for expediency and profit over the altruistic educational goals of teaching and learning Although there are absurd moments as when Farley and coworkers had to grade students based on how they described the taste of their favorite food the enormous importance of standardized tests in the post No Child Left Behind era make this no laughing matter This book is dynamite The nice personal voice makes it utterly accessible and enticing wholly apart from the terribly important ammunition it provides to those of us in the testing wars at national and local levels Jonathan Kozol author of *Savage Inequities* [Using Rubrics for Performance-Based Assessment](#) Todd Stanley, 2021-10-03 Writing a rubric that can accurately evaluate student work can be tricky Rather than a single right or wrong answer rubrics leave room for interpretation and thus subjectivity How does a teacher who wants to use performance based assessment in this day and age of educational data and SMART goals find a way to reliably assess student work The solution is to write clear rubrics that allow the evaluator to objectively assess student work This book will show classroom teachers not only how to create their own objective rubrics which can be used to evaluate performance assessments but also how to develop rubrics that measure hard to assess skills such as leadership and grit and how to empower their own students to create rubrics that are tailored to their work [Studies and Essays on Learning, Teaching and Assessing L2 Writing in Honour of Alister Cumming](#) A.
