troublemaking teenager who was kicked out of high school and eventually sent to America to shape up his beginnings as a martial arts teacher eventually becoming personal instructor to movie stars like James Coburn and Steve McQueen his struggles as an Asian American actor in Hollywood and frustration seeing role after role he auditioned for go to a white actors in eye makeup his eventual triumph as a leading man his challenges juggling a sky rocketing career with his duties as a father and husband and his shocking end that to this day is still shrouded in mystery Polly breaks down the myths surrounding Bruce Lee and argues that contrary to popular belief he was an ambitious actor who was obsessed with the martial arts not a kung fu guru who just so happened to make a couple of movies This is an honest revealing look at an impressive yet imperfect man whose personal story was even more entertaining and inspiring than any fictional role he played onscreen
