Mallinson, 2011-06-09 Perfect for fans of Patrick O Brian Bernard Cornwell and CS Forester another captivating Matthew Hervey adventure from the pen of THE SUNDAY TIMES BESTSELLING AUTHOR Allan Mallinson Allan Mallinson has done for the British Army what C S Forester and Patrick O Brian did for the Royal Navy and his novels are every bit as addictive Splendid irresistible stuff ALLAN MASSIE SPECTATOR A fascinating lively romp THE TIMES With each successive novel Mallinson grows in stature as an author one looks forward eagerly to the next instalment of Hervey's life LONDON EVENING STANDARD Another great book from a brilliant author Reader review Magnificent Reader review This is a must series to follow Reader review January 1829 George IV is on the throne Wellington is England's prime minister and the population has been enjoying long term peace But this happy state of affairs means cuts in the army and Hervey is told that his regiment the Sixth are to be reduced to a single squadron With his long term plans in disarray he undertakes instead a six month assignment as an observer with the Russian army Soon Hervey his friend Edward Fairbrother and his faithful groom Private Johnson are sailing north to St Petersburg and from there to the Eastern Balkans and the ferocious war between Russia and the Ottoman Empire Hervey is meant to be an impartial spectator but soon the circumstances and his own nature propel him into a more active role In the climactic Battle of Kulewtscha Hervey and Fairbrother find themselves in the thick of the action For Matthew Hervey the stakes have never been higher or more personal **Too Important for the Generals** Allan

Mallinson, 2016-06-02 War is too important to be left to the generals snapped future French prime minister Georges Clemenceau on learning of yet another bloody and futile offensive on the Western Front One of the great questions in the ongoing discussions and debate about the First World War is why did winning take so long and exact so appalling a human cost After all this was a fight that we were told would be over by Christmas Now in his major new history Allan Mallinson former professional soldier and author of the acclaimed 1914 *Fight the Good Fight* provides answers that are disturbing as well as controversial and have a contemporary resonance He disputes the growing consensus among historians that British

generals were not to blame for the losses and setbacks in the war to end all wars that given the magnitude of their task they did as well anyone could have He takes issue with the popular view that the amateur opinions on strategy of politicians such as Lloyd George and especially Winston Churchill prolonged the war and increased the death toll On the contrary he argues even before the war began Churchill had a far more realistic intelligent and humane grasp of strategy than any of the admirals or generals while very few senior officers including Sir Douglas Haig were up to the intellectual challenge of waging war on this scale And he repudiates the received notion that Churchill s stature as a wartime prime minister after 1940 owes much to the lessons he learned from his First World War mistakes notably the Dardanelles campaign maintaining that in fact Churchill s achievement in the Second World War owes much to the thwarting of his better strategic judgement by the professionals in the First and his determination that this would not be repeated Mallinson argues that from day one of the war Britain was wrong footed by absurdly faulty French military doctrine and paid as a result an unnecessarily high price in casualties He shows that Lloyd George understood only too well the catastrophically dysfunctional condition of military policy making and struggled against the weight of military opposition to fix it And he asserts that both the British and the French failed to appreciate what the Americans contribution to victory could be and after the war to acknowledge fully what it had actually been

Warrior Allan Mallinson,2008-09-04 Perfect for fans of Patrick O Brian Bernard Cornwell and CS Forester another breath taking Matthew Hervey adventure from the pen of THE SUNDAY TIMES BESTSELLING AUTHOR Allan Mallinson Captain Matthew Hervey is as splendid a hero as ever sprang from an author s pen THE TIMES Hervey s thrilling battles against the vivid backdrop of the developing British Empire make for richly engaging storytelling DAILY MAIL Highly addictive Reader review This series just gets better and better Reader review 1828 Matthew Hervey of the 6th Light Dragoons is urgently summoned to the Cape Colony when he learns that the Zulu warrior King Shaka is about to wage war Soon Hervey his old friend Eyre Somerville and their escort of dragoons and mounted rifles are riding north When they arrive at Shaka s kraal it quickly becomes apparent that he has slaughtered thousands of his subjects warriors and women alike When Shaka is killed by his own people and the region plunged into civil war Hervey and his men find themselves in the midst of terrible danger Yet worse is to come Separated from his troop Hervey must lead Shaka s queen across a hostile land where sanctuary has never seemed further away

1914: Fight the Good Fight Allan Mallinson,2013-09-02 No part of the Great War compares in interest with its opening wrote Churchill The measured silent drawing together of gigantic forces the uncertainty of their movements and positions the number of unknown and unknowable facts made the first collision a drama never surpassed in fact the War was decided in the first twenty days of fighting and all that happened afterwards consisted in battles which however formidable and devastating were but desperate and vain appeals against the decision of fate On of Britain s foremost military historians and defence experts tackles the origins and the opening first few weeks of fighting of what would become known as the war to end all wars Intensely researched and convincingly argued Allan Mallinson explores

and explains the grand strategic shift that occurred in the century before the war the British Army's regeneration after its drubbings in its fight against the Boer in South Africa its almost calamitous experience of the first twenty days fighting in Flanders to the point at which the British Expeditionary Force the Old Contemptibles took up the spade in the middle of September 1914 for it was then that the war changed from one of rapid and brutal movement into the more familiar vision of trench warfare on Western Front In this vivid compelling new history Mallinson brings his experience as a professional soldier to bear on the circumstances events actions and individuals and speculates tantalizingly on what might have been

The Making Of The British Army Allan Mallinson, 2009-11-10 Edgehill 1642 Surveying the disastrous scene in the aftermath of the first battle of the English Civil War Oliver Cromwell realized that war could no longer be waged in the old feudal way there had to be system and discipline and therefore eventually a standing professional army From the New Model Army of Cromwell's distant vision former soldier Allan Mallinson shows us the people and events that have shaped the British army we know today How Marlborough's momentous victory at Blenheim is linked to Wellington's at Waterloo how the desperate fight at Rorke's Drift in 1879 underpinned the heroism of the airborne forces at Arnhem in 1944 and why Montgomery's momentous victory at El Alamein mattered long after the Second World War was over From the British Army's origins at the battle of Edgehill to the recent conflict in Afghanistan *The Making of the British Army* is history at its most relevant and most dramatic *The Spectator*, 1853 A weekly review of politics literature theology and art

Rumours of War Allan Mallinson, Errick Graham, 2004 1826 Napoleon Bonaparte is dead the Congress of Vienna's work is done and there is peace in Europe However in Portugal there is the scent of civil war in the air following the death of King John VI Newly returned from India Matthew Hervey joins a party of officers sent to make an assessment and lend support to the Portuguese queen His place on the expedition is secured with the help and influence of his new friend Lady Katherine Greville But the Peninsula is a place redolent with memories *Of Sex and Faerie: Further Essays on Genre Fiction* John Lennard, 2010-01-01 Taking up where the author's book *Of Modern Dragons* 2007 left off these essays continue Lennard's investigation of the praxis of serial reading and the best genre fiction of recent decades including work by Bill James Walter Mosley Lois McMaster Bujold and Ursula K Le Guin There are groundbreaking studies of contemporary paranormal romance and of Hornblower's transition to space while the final essay deals with the phenomenon and explosive growth of fanfiction and with the increasingly empowered status of the reader in a digital world There is an extensive bibliography of genre and critical work with eight illustrations and many hyperlinks *The General Evening Post*, 1760
