BEST RUSSIAN SHORT STORIES. ALEKSANDR SERGEEVICH PUSHKIN; NIKOLAI VASILIEVICH., **Best Russian Short Stories** Thomas Seltzer, 2014-02-12 Best Russian Short Stories Edited by Thomas Seltzer. Conceive the joy of a lover of nature who leaving the art galleries wanders out among the trees and wild flowers and birds that the pictures of the galleries have sentimentalised. It is some such joy that the man who truly loves the noblest in letters feels when tasting for the first time the simple delights of Russian literature. French and English and German authors too occasionally offer works of lofty simple naturalness but the very keynote to the whole of Russian literature is simplicity naturalness veraciousness.

Best Russian Short Stories Aleksandr S Pushkin, Fiodor M Dostoyevsky, 2022-06-20 In order to understand Russian history and culture you must read these best Russian short stories. This present book is the most complete anthology of Russian short stories in English. Conceive the joy of a lover of nature who leaving the art galleries wanders out among the trees and wild flowers and birds that the pictures of the galleries have sentimentalized. It is some such joy that the man who truly loves the noblest in letters feels when tasting for the first time the simple delights of the Golden age of Russian literature. In this context of conflict all the nations would do well to get beyond their ideological differences and follow the example of generations of readers who in troubled times have turned to Russian literary masterpieces for consolation, insight and inspiration. A democratic spirit is reflected, breathing a broad humanity, a true universality, an unstudied generosity that proceed not from the intellectual conviction that to understand all is to forgive all but from an instinctive feeling that no man has the right to set himself up as a judge over another that one can only observe and record.

Best Russian Short Stories Lushena Books, Various, 2014-06-23 At first all the stories are just depressing Some memorably so others humorously so others still just morosely so Many are about poverty vices the lusts of money fear of the cold or loneliness oppression and cruelty but each of them seems to focus very strongly on the crappiness of life They stay with you and they keep pulling you along Best of all they can be taken in at length most short stories collections get tiring after three or four stories here its possible to read them all in a sitting and enjoy every one of them At first you are depressed being hammered with these themes but about 60% of the way through these very well written pieces you realize that these Russians understand something our modern Western culture doesnt people are rotten and somehow this formerly depressing literature becomes a masterpiece of art They are painting you a picture of life that you dont want to hear the truth that when the veneer of life is stripped away people are just no good even down to the smallest child we are one and alike worthless Counter intuitively its very refreshing to see the honest truth and as a consequence you will remember these stories for the rest of your life These Russian writers they get it they make it hit home in a way that doesnt happen very often from new books or television or movies Alas by in large the writers are a post Christian bunch so instead of celebrating their brokenness and the kindness of God they are left with a void but unlike Camus who decides to fill his philosophy with nonsense words the Russian masters quietly abstain in favor of just showing you life through their eyes They just stare at the void in humanity They dont explain it nor mourn it nor fantasize on what might make it go away nor do they really accept it they just show you to it They show you real life a life without redemption without long term goals and its frankly brilliant Really it is This is a high quality book of the original classic edition This is a freshly published edition of this culturally important work which is now at last again available to you **Best Russian Short Stories** Alexander Pushkin, 2007-11 This volume collects many classic Russian short stories including Pushkin s The Queen of Spades Gogol s The Cloak Turgenev s The District Doctor Dostoyevsky s The Chirstmas Tree and the Wedding Tolstoy s God Ses the Truth But Waits more
