Great performances start with great guitars! Django guitars, unparalleled professional instruments worthy of the world's finest players, are superbly well-made from the choicest materials. They accurately reproduce the distinctive look, sound and feel of the original Maccaferri-designed guitars of the 1930's. Their clean, clear sound records very well and is particularly well-suited to the early jazz styles and their derivatives: comp jazz, chord-melody style and western swing.

The Djangos are named in honor of legendary European jazz guitarist Django Reinhardt, the best-known player of the original Maccaferri.
