

Example Observation

3. Instructional Delivery

The teacher effectively engages students in learning by using a variety of instructional strategies in order to meet individual learning needs.

- Engages and maintains students in active learning.
- Builds upon students' existing knowledge and skills.
- Differentiates instruction to meet the students' needs.
- Reinforces learning goals consistently throughout lessons.
- Uses a variety of effective instructional strategies and resources.
- Uses instructional technology to enhance student learning.
- Communicates clearly and checks for understanding.

Evidence:

- **Communicates clearly and checks for understanding:** Directions for Focus Lesson posted on chart paper and on student worksheets. Walks around and informally checks independent work on Entrance Card/Warm-Up and provides a sticky note. Uses Exit Cards during Whole Group Closure.
- **Differentiates instruction to meet students' needs:** All students work on the same activities and receive the same lesson during small group/center time. Teacher spends 15 minutes working with groups A and B and 20 minutes working with group C, who showed difficulty with the material during the Entrance Card/Warm-up activity.
