New Jersey Register ,2016 *Excellence Through Equity* Alan M. Blankstein,Pedro Noguera,Lorena Kelly,2016-02-26 *Excellence Through Equity* is an inspiring look at how real world educators are creating schools where all students are able to thrive In these schools educators understand that equity is not about treating all children the same They are deeply committed to ensuring that each student receives what he or she individually needs to develop their full potential and succeed To help educators with what can at times be a difficult and challenging journey Blankstein and Noguera frame the book with five guiding principles of Courageous Leadership Getting to your core Making organizational meaning Ensuring constancy and consistency of purpose Facing the facts and your fears Building sustainable relationships They further emphasize that the practices are grounded in three important areas of research that are too often disregarded 1 child development 2 neuroscience and 3 environmental influences on child development and learning You ll hear from Carol Corbett Burris Michael Fullan Marcus J Newsome Paul Reville Susan Szachowicz and other bold practitioners and visionary thinkers who share compelling and actionable ideas strategies and experiences for closing the achievement gap in your

classrooms and school Ensuring that all students receive an education that cultivates their talents and potential is in all our common interest As Andy Hargreaves writes in the coda The opportunity for all Americans is to articulate and believe in an inspiring vision of educational change that is about what the next generation of America and Americans should become not about a target or ranking that the nation should attain From the Foreword by Archbishop Desmond Tutu Letting go of a system of winners and losers in favor of what is proposed in this book is a courageous leap forward that we all must take together Let this bold practical book be a guide and may you travel into this new exciting vista in which every child can succeed

The School Reform Landscape Reloaded Christopher H. Tienken, 2020-10-30 The School Reform Landscape Reloaded More Fear Myths and Lies peels back the curtain of school reform to examine the tensions that exist between the democratic and equitable system of public education and the emerging dual system based on elite interests aimed at profit making and decreasing education equity The author takes in depth and controversial look at school reform since the launch of Sputnik I Education reform events proposals and policies are examined through the lens of progressivist philosophy and critical social theory Some of the issues and policies critiqued include the neoliberal corporate influence on education the Sputnik myth A Nation At Risk standardization charter schools and other relevant topics The author provides an evidence based view of the free market reform ideas and he pierces the veil of the new reform policies to find that they are not built upon empirical evidence but instead rest solidly on foundations of myth fear and lies Ideas for a new set of reform policies based on empirical evidence and supportive of a unitary equitable and democratic system of education are presented
