Features of Performance Programs Company's Colorado Real Estate License Exam Prep CO RELEP National Principles Law  
Key Point Review 60 pages Real Estate Math Key Formula Review Practice 20 pages Colorado Specific Laws and Practices 45  
pages National Practice Tests 500 questions Colorado Practice Tests 140 questions Colorado Sample Exam 115 questions We  
know the real estate licensing exam can be tough and very nerve wracking to prepare for That's why we created Colorado  
Real Estate License Exam Prep CO RELEP the way we did Since we have been managing real estate schools and developing  
curriculum for forty years we know how all this works or fails to work CO RELEP is comprehensive in that it contains both  
key content review and testing practice And the text review is Colorado specific not just simplistic national content but terse  
relevant and accurate Colorado laws and regulations presented as a well organized set of state key point reviews ideal for  
pre test memorization But let's not dismiss the importance of the national content either CO RELEP's national key point  
reviews are a succinct compression of tested national principles and practices that comprise the national portion of state  
license exams from coast to coast Our content is drawn from our own national textbook Principles of Real Estate Practice one  
of the most widely used principles textbooks in the country Finally our national content as well as our question selection is  
further tailored to the state testing outline promulgated by PSI for Colorado Thus the breadth and depth of the law reviews  
and test questions reflect the topic emphasis of your state's testing service and your Colorado license exam A word about the  
test questions CO RELEP's testing practice section consists of ten national practice tests eight state practice tests and one  
state exam sample test The practice tests are roughly 50 questions in length and the sample test is 115 questions The test  
questions are designed to cover the content covered by the law reviews which reinforces your learning of the total body of  
information tested by your state exam The questions are direct to the point and designed to test your understanding When  
you have completed a given test you can check your answers against the answer key in the appendix You may also note that  
each question's answer is accompanied by a brief explanation or rationale to further reinforce your understanding In the end  
as you know it's all up to you Unlike other publications we are not going to tell you that using this book will guarantee that  
you pass your state exam It still takes hard work and study to pass But we have done our best here to get you ready  
Following that the most we can do is wish you the best of success in taking and passing your Colorado real estate exam So  
good luck For students looking for a national principles textbook we also publish Principles of Real Estate Practice **NMLS**
