No Safe House:

No Safe House Jan Garnett, 2024-04-05 Kathleen Kot Cafferty is an optimist a dedicated professional and rather fond of control until she is suddenly swept into the RCMP's Witness Protection Program with only her dog Medley for company When the safe house becomes anything but Kot realizes that she has to disappear on her own terms to somewhere that not even the police can find her Kot and Medley paddle into the Salish Sea at night to hide until the need for supplies forces her to head for one of the larger islands on the horizon On Atticus Island Kot finds work friends and a measure of security but she still looks forward to returning to her real life Things get even more interesting when a global celebrity with lifelong roots on Atticus takes a keen interest in her When Kot discovers an young girl living secretly in the island's decommissioned lighthouse she is torn between the law and the need to protect the fragile safety that each of them has found Meanwhile detectives achieve a breakthrough in their investigations into deadly drug smuggling through the Port of Vancouver uncovering unexpected links to events on Atticus Island After a stranger appears on the island who is openly hunting for Kot her survival rests on the resourcefulness of her friends and ultimately on the not so rare altruism of another species *No Safe House* was short listed for the Crime Writers of Canada's 2023 Best Unpublished Manuscript Award Reviewer's comments included an ambitious and lyrical novel that takes its time to draw together disparate threads and characters into a transcendent whole and exquisite description superb dialogue and a complex and topical plotline

No Safe House Linwood Barclay, 2014-08-05 The New York Times bestselling author delivers the follow up to *No Time for Goodbye* an electrifying novel of suspense in which a family's troubled past is about to return in more ways than one And this time they may not be able to escape Seven years ago Terry Archer and his family who first appeared in *No Time for Goodbye* experienced a horrific ordeal that nearly cost them their lives Today the echoes of that fateful night are still audible Terry's wife Cynthia is living separate from her husband and daughter after her own personal demons threatened to ruin her relationship with them permanently Their daughter Grace is rebelling against her parents seemingly needless overprotection Terry is just trying to keep his family together And the entire town is reeling from the senseless murder of two elderly locals But when Grace foolishly follows her delinquent boyfriend into a strange house the Archers must do more than stay together They must stay alive Because now they have all been unwillingly drawn into the shadowy depths of their seemingly idyllic hometown For there they will be reconnected with the man who saved their lives seven years ago but who still remains a ruthless unrepentant criminal They will encounter killers for hire working all sides And they will learn that there are some things people value much more than money and will do anything to get it Caught in a labyrinth between family loyalty and ultimate betrayal Terry must find a way to extricate his family from a lethal situation he still doesn't fully comprehend All he knows is that to live he may have to do the unthinkable

No Safe House, 2014 A family's troubled past is about to return in more ways than one And this time they may not be able to escape

Safe House Joshua Straub, PhD, 2015-10-20 Parenting isn't

rocket science it's just brain surgery And Dr Joshua Straub has good news for you You can do it You don't need to do all the right things as a parent Both science and the Bible show us that the most important thing we can provide for our kids is a place of emotional safety In other words the posture from which we parent matters infinitely more than the techniques of parenting Emotional safety more than any other factor is scientifically linked to raising kids who live love and lead well Learn how to use emotional safety as a foundation from which you parent and make a cultural impact that could change the world In Safe House Dr Straub draws from his extensive research and personal experience to help you Foster healthy identity and social development in children of any age Win the war without getting overwhelmed in the daily battles Discipline in a way that builds relationship Understand how the culture is affecting your child and what you can do about it Cultivate responsible self-regulating behavior in your kids Establish an unshakeable sense of faith morality and values in your home Feel more confident and peaceful as a parent Find a greater perspective on parenting than what you might see on a daily basis Also includes a Safe House Parenting Assessment
