Scruggs,2019-06-03 I have experienced two of the most profound experiences God offers us on this earth the overwhelming joy of adopting children and the overpowering grief of losing a child from the tragedy of heroin addiction In this book I have placed everything my heart holds It is a blend of happy experiences with my children as my husband and I raised them horrific experiences as we helplessly watched one child s life painfully ripped apart in a storm of evil and the unimaginable aftermath of losing a child Tears from all these are spread throughout these pages In his death my child was redeemed and set free I was left picking up the pieces of my broken heart shaking my head and trying to understand why God s overpowering love and sovereignty had raised a sword against one of Satan s greatest tools the power of addiction Was my child nothing more than a casualty of spiritual warfare God is good Did I still believe that This book chronicles my journey through His Word listening for whispers from heaven until finally I too am set free Today Tonight Tomorrow was written by Him for Him and belongs to Him I pray that this book will help fight the spread of the addiction plague that has been so carefully orchestrated by the enemy and will help provide comfort to those already caught in the battle *The Problem of Jesus* Mark Clark,2021-02-23 The modern world portrays Jesus in many ways for many reasons Some are well intentioned but

misguided others are aberrations still others have some but not all the essential keys In order to see and understand the real Jesus and what the Gospels say about him we have to see him in his first century context and work out from there Here is a portrait of Jesus that in some ways will affirm what traditional Christianity has always understood about him and in other ways upend it altogether Award winning author Mark Clark delves into the person and work of Jesus of Nazareth his parables and miracles his controversial challenge of discipleship and obedience his seemingly insane claim to be God and what his death and resurrection if they did happen actually mean Mark is unafraid to tackle questions such as What would first century Jews have immediately recognized about Jesus that modern Christians often miss What do the Gospels accomplish and can we trust them Is there a problem with science and Jesus miracles What are the barriers stopping people from following him And what is Christianity in light of an accurate portrayal of the object of its faith The Problem of Jesus engages with ideas from all realms of study from Malcolm Gladwell and Jordan Peterson to historians scientists and philosophers from N T Wright to C S Lewis from Star Wars to Pretty Woman all unite to form a breathtaking and accurate portrait of Jesus the man the message and the mission who forever altered the course of human history As a former atheist I would call this book philosophical dynamite The Problem of Jesus will take your thinking about Jesus and your relationship with him to whole new levels Pastor and author Ray Johnston
