Nodal Logistics Corporation is a Real Estate Investment Trust (REIT) that focuses acquisition of industrial warehouses and logistics property in high density markets. It aims the majority of its revenues from rents and leases. With this intention of strengthening its long term profitable position, NLC is planning to acquire a building 120 million sq ft in an area 100 square feet industrial property located in New York. Based New York has 100 million square feet of industrial properties space including warehouses, shopping, adjacent areas to New York contained some expected growth in industrial space. As this income on the acquisition, construction, and possession of industrial facilities. New York seems to be an attractive building trade. Nodal subject here is a list of challenges to suggest to move to Brazil market. First challenge NLC would face is its company with the highly volatile Brazilian currency. Secondly, currency funds as a non-Brazilian parent in the form of dividends and that is a trouble. Thirdly, local supply contracts (commitment) in Brazilian Region is a real challenge. Nodal must have writing all industrial real estate agreements in U.S. dollars, which had been

submitted to be international business.
