Graduation

Everybody in high school looks forward to graduation day. I was looking forward to graduation myself, but I had a higher goal in mind. I wanted to be in the top 20% of my graduating class. At the beginning I didn't know how I was going to get there, but I knew that no goal was ever too hard for me to accomplish. Failure wasn't an option, so I kept my mind set on the bigger picture. Hard work, dedication, and wise decision making helped me to accomplish my graduation goal.

Hard work just didn't start my senior year, it actually started the first day I walked into my freshman class. My teachers always told me that my freshman year would determine my senior rank. I went above and beyond on all my work that was given. My whole freshman year I received all A's and two B's. These grades weren't just given to me, but I had to work hard to accomplish the goal that I had set myself.

Dedication is sticking to a particular task and not stopping until the job at hand is done. I made a choice that I was going to succeed, and I did just that. I couldn't just do my best for one year and think the job was done; no this was a four year commitment. Don't get me wrong my four years in high school wasn't always a piece of cake, but I couldn't give up when the road got tuff. I dedicated my life to make sure my dreams would turn into reality.
