

Personal Statement Seattle University Sample

It is not always an easy task for a young lady to prove her worthiness of being a student in a solid institution like Seattle University. I understand that there are so many individuals, who want to achieve the same purpose and become students. It is wrong to state that I am better than all the other applicants; still, it is possible to explain why this place is crucial for my future. The teachers from my college life have already shown how it is possible for me to become a better person and which career goals should be set. Therefore, now, I am able to identify my future goals and the ways how they can be achieved. I see my future in the sphere of finance. Business is the world that attracts my attention a lot. I cannot imagine my life without numerous financial affairs, and I want to prove that I am worth attention and recognition.

My experience provides me with a chance to believe that I could become a good specialist. Being a student in the Zhujiang College of South China Agricultural University and Seattle Central Community College, I realized that people are free to choose their own paths and develop their skills accordingly. Each problem is not an obstacle but a challenge that has to be overcome with the help of the best human qualities and abilities. There is no necessity to avoid difficulties. Sometimes, it is even impossible. What I have to do is to be ready to use the best of myself and help other people to do the same.

As an international student, I perfectly understand, speak, and write English as well as Chinese. This bilingual ability makes me sociable at different levels. This is a real treasure for me to continue developing my cultural and intellectual backgrounds in Seattle University. It is also a good chance to
