you've secretly been in love with since high school. Going home single for the holidays was the pits. Toss in a thirtieth birthday on Christmas Day and that was a recipe for disaster. Winter Snow was going to throw in the towel and cancel her Christmas plans when her best friend Chris Shepley came up with a brilliant idea: he'd pretend to be her boyfriend. It was perfect really; they had been together since birth when their moms met in the maternity ward on Christmas Day thirty years ago. Her family adored Chris and they'd be able to celebrate their special day together. The one catch? Well, there are two: he's bisexual and she's pretty sure he's in love with Luke Tannen. The other problem? Winter's already madly in love with Chris and letting him help her could have her confessing all her dirty secrets to him. When Chris comes up with a plan that will make them all happy, will Winter be able to let go of what everyone else wants her to be and embrace the new life that he and Luke are offering her? Or will she play it safe and give up not just one but two perfect guys to keep her life simple? *Double The Mistletoe* is a Christmas Novella and the third book of the Taken Series by K. L. Ramsey. *Merry Me* Amanda Siegrist, 2021-09-16. He never knew a simple gift left on his porch step would mend his wounded heart. Hiding his dislike for the holidays isn't easy, especially when Chief Elliot Duncan meets a woman who captures his attention with one sweet smile. Lynn Carpenter is beautiful, strong-willed, and hardworking, and he doesn't know how to return her gift that was left on his porch by mistake. As Christmas approaches, it doesn't take much for the holiday spirit to seep in, not when Lynn makes it so effortless with her excitement. The only thing he wants for Christmas this year is her heart. But between his meddling father and the need to take care of her, something she passionately resists, he knows it won't be that simple. He's up for the challenge because losing Lynn is unacceptable. *A Return to Christmas* Chris Heimerdinger, 2001-08-01. *Wonder With Me: A With Me In Seattle Novella* Kristen Proby, 2019-11-22. Reed Taylor doesn't pay much attention to the holidays until he receives a surprise present. Four-year-old Piper is the daughter he never knew about and with the death of her mother is also now the roommate he never expected. He's determined to make their first Christmas together one she'll never forget. Noel Thompson has gotten her share of strange requests in her career as an interior designer. The call to design a beautiful home for Christmas is more like a dream come true. And that was before she met her new employer, sexy and mysterious. He's everything she ever hoped Santa would bring her. As Noel showers his home with holiday spirit, Reed showers Piper with love. And the busy life he's created for himself no longer seems nearly as important as the one Noel is helping him build with his daughter. But if he can't convince his decorator to stay, this could be the only year he feels the true wonder of the season. Publisher description. **The Christmas Catch** Toni Shiloh, 2024-09-24.
