Rumor Of War Book:

A Rumor of War Philip Caputo, 1996 Originally published New York Holt Rinehart and Winston 1977 A Rumor of War Philip Caputo, 2014-05-13 The 40th anniversary edition of the classic Vietnam memoir featured in the PBS documentary series The Vietnam War by Ken Burns and Lynn Novick with a new foreword by Kevin Powers In March of 1965 Lieutenant Philip J Caputo landed at Danang with the first ground combat unit deployed to Vietnam Sixteen months later having served on the line in one of modern history sugliest wars he returned home physically whole but emotionally wasted his youthful idealism forever gone A Rumor of War is far more than one soldier's story Upon its publication in 1977 it shattered America's indifference to the fate of the men sent to fight in the jungles of Vietnam In the years since then it has become not only a basic text on the Vietnam War but also a renowned classic in the literature of wars throughout history and as the author writes of the things men do in war and the things war does to them Heartbreaking terrifying and enraging It belongs to the literature of men at war Los Angeles Times Book Review Rumor of War Teacher's Guide Caputo, 2001 Philip Caputo's A Rumor of War Everest Media, 2022-07-02T22:59:00Z Please note This is a companion version not the original book Sample Book Insights 1 I was more prepared for death than I was for life when I returned from the war in 1967 I had learned how to face death and cause it with everything on the evolutionary scale of weapons from the knife to the 3.5 inch rocket launcher 2 I grew up in Westchester Illinois one of the towns that rose from the prairies around Chicago as a result of postwar affluence VA mortgage loans and the migratory urge and housing shortage that sent millions of people out of the cities 3 I wanted to join the Marines to prove something my courage my toughness and my manhood I had spent my freshman year at Purdue freed from the confinements of suburban home and family but a slump in the economy prevented me from finding a job I had to transfer to Loyola a commuter college in Chicago 4 I was elated when I enlisted and swore to defend the United States against all enemies foreign and domestic I had done something important on my own and I was excited by the idea that I would be sailing off to dangerous and exotic places after college instead of working in an office

The Soldier's Perspective in A Rumor of War Kyla Haime, 2009 Tim O Brien and Michael Herr two very famous Vietnam War writers seem to have gotten war narrative theorists to conclude that Vietnam War Literature cannot be cohesive since the war itself is fragmented Philip Caputo s memoir A Rumor of War seems to have taken these components of war and has carefully sewn them together to provide his reader s with a cohesive truthful and compelling war narrative In O Brien s narrative The Things They Carried facts are given and then called into question making the reader wonder if any of it is true In his narrative Dispatches Herr makes the reader piece together his scattered statements to gain an understanding Caputo does the opposite of these two writers Caputo s statements are not scattered but placed together to form a flowing cohesiveness but still showing how fragmented life was in Vietnam for the soldiers who fought there I will be discussing each component and then looking at how they are so nicely sewn together to form Caputo s cohesive narrative The components

that I will be looking at are language emotional psychological toll dream sequences history and flashbacks There is also an important part of the narrative where the narrative itself becomes fragmented as though we are looking through a camera complete with the clicks that go with it Each component is interesting to look at by itself but it is also interesting to look at how they fit together There are also other little tidbits throughout the memoir that are seemingly important to the narrative so those pieces will also be discussed Caputo's memoir allows the reader to grasp a deeper understanding of a soldier in war
