**To the Moon and Back** Eliana Ramage, 2025-09-02 One young woman's relentless quest to become the first Cherokee astronaut will irrevocably alter the fates of the people she loves most in this tour de force of a debut about ambition belonging and family My mother took my sister and me and she drove through the night to a place she felt a claim to a place on earth she thought we might be safe I stopped asking questions I picked little glass pieces from my sister's hair I watched the moon Steph Harper is on the run When she was five her mother fled an abusive husband with Steph and her younger sister in tow to Cherokee Nation where she hoped they might finally belong In response Steph sets her sights as far away from Oklahoma as she can get vowing that she will let nothing get in the way of pursuing the rigorous physical and academic training she knows she will need to be accepted by NASA and ultimately to go to the moon Spanning three decades and several continents To the Moon and Back encompasses Steph's turbulent journey along with the multifaceted and intertwined lives of the three women closest to her her sister Kayla an artist who goes on to become an Indigenous social media influencer and whose determination to appear good takes her life to unexpected places Steph's college girlfriend Della Owens who strives to reclaim her identity as an adult after being removed from her Cherokee family

through a challenge to the Indian Child Welfare Act and Hannah Steph and Kayla's mother who has held up her family's tribal history as a beacon of inspiration to her children all the while keeping her own past a secret In Steph's certainty that only her ambition can save her she will stretch her bonds with each of these women to the point of breaking at once betraying their love and generosity and forcing them to reconsider their own deepest desires in her shadow Told through an intricately woven tapestry of narrative To the Moon and Back is an astounding and expansive novel of mothers and daughters love and sacrifice alienation and heartbreak terror and wonder At its core it is the story of the extraordinary lengths to which one woman will go to find space for herself

**Historical Dictionary of the Latter-day Saints** Thomas G. Alexander, Davis Bitton, 2019-10-08 The Church of Jesus Christ of Latter-day Saints is a Christian church that was organized by six men in western New York in 1830 under the leadership of Joseph Smith the church has grown to more than 16 million members today A restoration of the primitive church organized by Jesus Christ in the first century C E the church's membership was originally all Americans The church is now however a worldwide church with more members who live outside the United States than inside The fourth edition of Historical Dictionary of the Latter-day Saints contains a chronology an introduction and an extensive bibliography The dictionary section has over 400 cross-referenced entries on the important people ideas doctrine and events during the hundred ninety-year history of The Church of Jesus Christ of Latter-day Saints This book is an excellent resource for students researchers and anyone wanting to know more about The Church of Jesus Christ of Latter-day Saints

**The Celebration of Death in Contemporary Culture** Dina Khapaeva, 2017-03-06 The Celebration of Death in Contemporary Culture investigates the emergence and meaning of the cult of death Over the last three decades Halloween has grown to rival Christmas in its popularity Dark tourism has emerged as a rapidly expanding industry Corpse chic and skull style have entered mainstream fashion while elements of gothic horror torture porn and slasher movies have streamed into more conventional genres Monsters have become pop culture heroes vampires zombies and serial killers now appeal broadly to audiences of all ages This book breaks new ground by viewing these phenomena as aspects of a single movement and documenting its development in contemporary Western culture This book links the mounting demand for images of violent death with dramatic changes in death-related social rituals It offers a conceptual framework that connects observations of fictional worlds including The Twilight Saga The Vampire Diaries and the Harry Potter series with real-world sociocultural practices analyzing the aesthetic intellectual and historical underpinnings of the cult of death It also places the celebration of death in the context of a longstanding critique of humanism and investigates the role played by 20th-century French theory posthumanism transhumanism and the animal rights movement in shaping the current antihumanist atmosphere This timely thought-provoking book will appeal to scholars of culture film literature anthropology and American and Russian studies as well as general readers seeking to understand a defining phenomenon of our age

**Election Meltdown** Richard L. Hasen, 2020-02-04 From the nation's leading expert an indispensable analysis of key threats to the

integrity of the 2020 American presidential election As the 2020 presidential campaign begins to take shape there is widespread distrust of the fairness and accuracy of American elections In this timely and accessible book Richard L Hasen uses riveting stories illustrating four factors increasing the mistrust Voter suppression has escalated as a Republican tool aimed to depress turnout of likely Democratic voters fueling suspicion Pockets of incompetence in election administration often in large cities controlled by Democrats have created an opening to claims of unfairness Old fashioned and new fangled dirty tricks including foreign and domestic misinformation campaigns via social media threaten electoral integrity Inflammatory rhetoric about stolen elections supercharges distrust among hardcore partisans Taking into account how each of these threats has manifested in recent years most notably in the 2016 and 2018 elections Hasen offers concrete steps that need to be taken to restore trust in American elections before the democratic process is completely undermined The American-Style University at Large Kathryn L. Kleypas, James I. McDougall, 2011-11-16 The focus of research on the globalization of higher education has historically been on universities within the United States More recently the focus has shifted to the international scene yet there remain few published works to document this phenomenon The American Style University at Large Transplants Outposts and the Globalization of Higher Education edited by Kathryn L Kleypas and James McDougall is an intervention into current discussions concerning the role of the contemporary American style university in a global context The editors approach the subject from their own experiences as professors at an American style university in the Middle East They pull together essays from an impressively diverse list of contributors which examine the various ways that American models of higher learning have become instituted around the world The authors then explore ways that these new configurations help to define the university as a force that organizes develops and controls methods of education knowledge power and culture *Global Russian Cultures* Kevin M. F. Platt, 2019-01-15 Is there an essential Russian identity What happens when Russian literature is written in English by such authors as Gary Shteyngart or Lara Vapnyar What is the geographic home of Russian culture created and shared via the internet Global Russian Cultures innovatively considers these and many related questions about the literary and cultural life of Russians who in successive waves of migration have dispersed to the United States Europe and Israel or who remained after the collapse of the USSR in Ukraine the Baltic states and the Central Asian states The volume s internationally renowned contributors treat the many different global Russian cultures not as displaced elements of Russian cultural life but rather as independent entities in their own right They describe diverse forms of literature music film and everyday life that transcend and defy political geographic and even linguistic borders Arguing that Russian cultures today are many this volume contends that no state or society can lay claim to be the single or authentic representative of Russianness In so doing it contests the conceptions of culture and identity at the root of nation building projects in and around Russia **American Fascism** Brynn Tannehill, 2021-04-20 Trump is out of the White House but American democracy is on the ropes and teetering on the brink of competitive authoritarianism controlled by

theocrats and oligarchs With its cherished institutions hobbled political norms trampled guardrails severely damaged and body politic divided by chasms of race and geography can the U S survive another administration dedicated to establishing de facto single party rule In this compelling comprehensive analysis Brynn Tannehill draws on her expertise in studying the collapse of weak democracies around the globe and her previous research in law political science economics and right wing populism to explain the trajectory of how we got here and the current threats we face Most importantly she analyzes what the characteristics of fascism are if they are applicable to the base of the GOP today and what that means for us should they succeed in establishing permanent minoritarian rule American Fascism is a surgical analysis of 250 years of struggle for democracy in America and a prescient prognosis of what s to come if we do not heed Tannehill s warnings and advice

### **Russian Face To Face Workbook Introduction**

In the digital age, access to information has become easier than ever before. The ability to download Russian Face To Face Workbook has revolutionized the way we consume written content. Whether you are a student looking for course material, an avid reader searching for your next favorite book, or a professional seeking research papers, the option to download Russian Face To Face Workbook has opened up a world of possibilities. Downloading Russian Face To Face Workbook provides numerous advantages over physical copies of books and documents. Firstly, it is incredibly convenient. Gone are the days of carrying around heavy textbooks or bulky folders filled with papers. With the click of a button, you can gain immediate access to valuable resources on any device. This convenience allows for efficient studying, researching, and reading on the go. Moreover, the cost-effective nature of downloading Russian Face To Face Workbook has democratized knowledge. Traditional books and academic journals can be expensive, making it difficult for individuals with limited financial resources to access information. By offering free PDF downloads, publishers and authors are enabling a wider audience to benefit from their work. This inclusivity promotes equal opportunities for learning and personal growth. There are numerous websites and platforms where individuals can download Russian Face To Face Workbook. These websites range from academic databases offering research papers and journals to online libraries with an expansive collection of books from various genres. Many authors and publishers also upload their work to specific websites, granting readers access to their content without any charge. These platforms not only provide access to existing literature but also serve as an excellent platform for undiscovered authors to share their work with the world. However, it is essential to be cautious while downloading Russian Face To Face Workbook. Some websites may offer pirated or illegally obtained copies of copyrighted material. Engaging in such activities not only violates copyright laws but also undermines the efforts of authors, publishers, and researchers. To ensure ethical downloading, it is advisable to utilize reputable websites that prioritize the legal distribution of content. When downloading Russian Face To Face Workbook, users should also consider the potential security risks associated with online platforms. Malicious actors may exploit vulnerabilities in unprotected websites to distribute malware or steal personal information. To protect themselves, individuals should ensure their devices have reliable antivirus software installed and validate the legitimacy of the websites they are downloading from. In conclusion, the ability to download Russian Face To

Face Workbook has transformed the way we access information. With the convenience, cost-effectiveness, and accessibility it offers, free PDF downloads have become a popular choice for students, researchers, and book lovers worldwide. However, it is crucial to engage in ethical downloading practices and prioritize personal security when utilizing online platforms. By doing so, individuals can make the most of the vast array of free PDF resources available and embark on a journey of continuous learning and intellectual growth.
