In Good Company Dinah Rajak, 2011-11-09 Under the banner of corporate social responsibility CSR corporations have become increasingly important players in international development These days CSR's union of economics and ethics is virtually unquestioned as an antidote to harsh neoliberal reforms and the delinquency of the state but nothing is straightforward about this apparently win win formula Chronicling transnational mining corporation Anglo American's pursuit of CSR In Good Company explores what lies behind the movement's marriage of moral imperative and market discipline From the company's global headquarters to its mineshafts in South Africa Rajak reveals how CSR enables the corporation to accumulate and exercise power Interested in CSR's vision of social improvement Rajak highlights the dependency that the practice generates This close examination of Africa's largest private sector employer not only brings critical attention to the dangers of corporate dominance but also provides a lens through which to reflect on the wider global CSR movement

Hidden Hands in the Market Peter Luetchford, Geert De Neve, Jeffery Pratt, 2008-09-01 Engages with a range of alternative ethical perspectives and the initiatives to which they give rise This book features case studies that covers a range of places commodities and initiatives including Fair Trade and organic production activism in Hungary Fair Trade coffee in Costa Rica and handicrafts made in Indonesia

Illicit Financial Flows from South Africa Serges Djouyou Kamga, 2021-09-21 This book examines the detrimental impact of illicit financial flows on South Africa's development political economy and transformation in the 21st century Over the years illicit financial flows have led to the systematic looting and channelling away of South African resources yet they are rarely studied by researchers looking to explain the country's underdevelopment and political economy This book looks across sectors showing that illicit financial flows cut across all the key pillars of development frustrating the betterment of people's lives in South Africa Investigating the problem from a decolonial perspective the book delves deep into the catastrophic impacts of illicit financial flows for people and the economy discusses how the problem is being combatted and ultimately suggests solutions for rebuilding social trust between people and the state Making an important contribution to the decolonial debate as well as to discussions of South Africa's political economy this book will be of interest to researchers across African studies global development political science law and corruption studies
