

blessing the boats

Lucille Clifton - 1936-2010

(at St. Mary's)

may the tide
that is entering even now
the lip of our understanding
carry you out
beyond the face of fear
may you kiss
the wind then turn from it
certain that it will
love your back may you
open your eyes to water
water waving forever
and may you in your innocence
sail through this to that

Sailing From Innocence:

Innocent Spouse Carol Ross Joynt, 2012-11-20 What would you do if just weeks after your spouse's sudden death you found out he was keeping secrets Carol Ross Joynt was a successful TV producer and award winning journalist in Washington D C Her husband Howard owned a legendary restaurant in Georgetown They had a young son a happy marriage a seeming fairy tale life But Howard's sudden death changed everything Carol was shocked to discover that her husband had secrets financial secrets including a 3 million debt to the IRS that still had to be settled Carol was responsible for repaying the debt unless she could prove she knew nothing about Howard's fraudulent dealings and convince the government she was an innocent spouse With no time to grieve Carol was forced to immediately learn to manage her family's legal and financial responsibilities run Howard's restaurant hold her own career together and raise their son as a solo parent As she picked up the pieces and coped with her sadness and anger she learned to become self sufficient Poignant eye opening and at its core uplifting Innocent Spouse is ultimately an inspiring story of strength and newfound independence in the face of loss and betrayal

As They Sail Samuel Hazo, 1999-01-01 With each new collection of poems Samuel Hazo explores themes of mortality and love passion and art courage and grace in a style that is unmistakably his own In *As They Sail* he writes with equal feeling and clarity about political and artistic figures and the complex synchronicity between life and art He is extremely interested in the wonderment and discovery that emerges in the act of writing in the movement toward wisdom that results from expression of feeling Questioning is always more important in his writing than answering Hazo has the ability to accomplish what he attributes to another poet Charles Causley in *When Nothing's Happening Everything's Happening* the poems borne of his pen help us to feel what we think He is able to achieve this felt thought without any trace of self absorption or sentimentality Whether Hazo is writing about Nixon Hemingway or Brando or simply about walking in France he finds the essence of language that gives rise to an emotional response In a time when poetry without emotion is praised and language is said to make sense simply because it exists on the page Hazo's clear voice and concern with the nature of love time change and the meaning of the past is uniquely refreshing

The Estonian Straits Alexander Lott, 2018-04-03 In *The Estonian Straits* Alexander Lott establishes the interrelations between the main legal categories of straits Through this detailed and exceptional account he provides legal classifications for the Viro Strait in the Gulf of Finland as well as the Irbe Strait and the Sea of Straits in the Gulf of Riga Consequently the passage rights of foreign ships and aircrafts in the northeastern part of the Baltic Sea are determined The author demonstrates that the legal regime of the Estonian Straits has been and continues to be determined by such factors as the outer limits of maritime zones treaties islands maritime boundary delimitation domestic law on internal waters and baselines as well as geopolitical implications particularly the concept of State continuity
