No Second Chance:

No Second Chances Kate Evangelista, 2017-05-16 Full of high society debutantes impossible tasks and featuring a heroine who has confidence to spare the final novel in the Dodge Cove trilogy is a modern twist on a classic fairy tale Natasha was devastated when Jackson her first love disappeared without a word only to pop up months later as a famous DJ But now she's over it over him and ready to move on with her life Isn't she Jackson thought he was leaving Dodge Cove behind forever when he set off to LA to start his DJ career But the one thing he hasn't been able to leave behind is the memory of his first love Natasha and now that he's proven his success he's coming home to win her back Don't miss No Second Chances the final book in Kate Evangelista's romantic young adult Dodge Cove trilogy Praise for The Dodge Cove Trilogy No Holding Back Charming to the max Lola Hit or Miss Books No Love Allowed It's like a modern fairy tale Camelle reader on SwoonReads.com Evangelista takes a familiar story of young love and makes it fresh VOYA Given the growing awareness towards understanding the stigmas issues and concerns surrounding mental illness I find it refreshing that this book doesn't preach about what to do or how to be it just tells a story of two people who fall in love and who just also happen to struggle with issues that deserve a place to be talked about Whatsageek.com The romance was incredible There was also a great set of secondary characters Nathan was my favorite And I'm so thrilled that he's going to get his own story too I can't wait for it The perfect YA contemporary romance for me It had humor romance awesome characters and great writing Pretty much everything I want in a book Stephanie Bookfever

No Second Chances Marissa Farrar, 2019-10-25 Gabi When I was seventeen years old I was told to stay away from Cole Devonport Kids like him only ever meant trouble I should have listened but I didn't and surprise surprise I was the one who got hurt But escaping Cole didn't mean the end of my pain Life has a way of screwing me over and after joining the Army as a way of forgetting him I suffered a loss I'll never recover from So now here I am back in the town I ran away from with my alcoholic father apparently looking after me The last thing I need is Cole showing up on my doorstep because nothing has changed with his prison tattoos and don't screw with me edge Cole Devonport still means trouble Cole I let everyone down all those years ago I made mistakes and I'm not proud of them but I've done my time and now I just want to keep my head down and get on with my life I thought I was doing exactly that until I heard Gabriella Weston was back in town Despite what she thought I was always in love with her She might hate me but whether she knows it or not she also needs me I want to make it up to her but with my past still trying to pull me down perhaps it would be best if I just stayed the hell away like she keeps telling me to Problem is I can't seem to resist her and I'm the type of guy who always gets what he wants No Second Chances is a stand alone second chance contemporary romance It is a full length novel with no cliff hanger
