Postmodern Literature and Race Len Platt, Sara Upstone, 2015-02-19 Postmodernism Literature and Race explores the question of how dramatic shifts in conceptions of race in the late twentieth and early twenty first centuries have been addressed by writers at the cutting edge of equally dramatic transformations of literary form An opening section engages with the broad question of how the geographical and political positioning of experimental writing informs its contribution to racial discourses while later segments focus on central critical domains within this field race and performativity race and the contemporary nation and postracial futures With essays on a wide range of contemporary writers including Bernadine Evaristo Alasdair Gray Jhumpa Lahiri Andrea Levy and Don DeLillo this volume makes an important contribution to our understanding of the politics and aesthetics of contemporary writing **Chicago Schools Journal**, 1923 The New Cambridge Bibliography of English Literature George Watson, Ian Roy Willison, 1974 **Uncertain Justice** Laurence Tribe, Joshua Matz, 2014-06-03 Illuminating Tribe and Matz offer well crafted overviews of key cases decided by the Roberts Court and chart the Supreme Court's conservative path Chicago Tribune From Citizens United to its momentous rulings regarding Obamacare and gay marriage the Supreme Court under Chief Justice John Roberts has profoundly affected American life Yet the court remains a mysterious institution and the motivations of the nine men and women who serve for life are often obscure In Uncertain Justice Laurence Tribe and Joshua Matz show the surprising extent to which the Roberts Court is revising the meaning of our Constitution Political gridlock cultural change and technological progress mean that the court's decisions on key topics including free speech privacy voting rights and presidential power could be uniquely durable Acutely aware of their opportunity the justices are rewriting critical aspects of constitutional law and redrawing the ground rules of American government Tribe one of the country's leading constitutional lawyers and Matz dig deeply into the court's rulings stepping beyond tired debates over judicial activism to draw out hidden meanings and silent battles The undercurrents they reveal suggest a strikingly different vision for the future of our country one that is sure to be hotly debated Filled with original insights and compelling human stories Uncertain Justice illuminates the most colorful story of all how the Supreme Court and the Constitution frame the way we live A brilliantly layered account Filled with memorable stories and striking references to literature baseball and popular culture this book is a joy to read from start to finish Doris Kearns Goodwin Pulitzer Prize winner and 1 New York Times bestselling author of Team of Rivals Well written and highly readable The strength of the book is its painstaking explanation of all sides of the critical cases giving full voice and weight to conservative and liberal views alike The Washington Post *Annual Report of the Regents of the University, to the Legislature of the State of New-York* University of the State of New York, University of the State of New York.
