Obits Reading Behind The Fine Print:

Coming into the End Zone Doris Grumbach, 2014-12-02 A New York Times Notable Book One woman's search for the value of a long life With the advent of her seventieth birthday many changes have beset Doris Grumbach the rapidly accelerating speed of the world around her the premature deaths of her younger friends her own increasing infirmities and her move from cosmopolitan Washington DC to the calm of the Maine coast *Coming into the End Zone* is an account of everything Grumbach observes over the course of a year Astute observations and vivid memories of quotidian events pepper her story which surprises even her with its fullness and vigor *Coming into the End Zone* captures the days of a woman entering a new stage of life with humanity and abiding hope

As Fate Would Have It David M. Brooks, 2021-04-21 Chris wants to believe that he is in total control of his life But after a near death experience someone or something has appeared in his sleep each night trying to tell him differently His dreams take him to a grave site guarded by a hooded figure who shows him the faces of strangers destined to die soon At first he accepts this as some sort of brain malfunction caused by his accident But when he meets a young woman in his waking hours who also appears in his dream he begins to question whether her seemingly predestined fate can be changed or not Has her death already been determined or can he defy the entity that has turned his dreams into nightmares

Behind the Bits Frank M. Oppenheim, Helen Swift, 1998 *Behind the Bits* provides a broad overview of the media field addressing all areas but focusing on television and the driving forces behind it The authors unveil the interlocking network that structures power in the media world business government and the increasingly concentrated upper echelons of the media itself Beginning with an examination of truth in advertising the discussion moves to an analysis of news editing and the different forces behind the release of information to the public through the media Also analyzed is the increasing effect of electronic technology on the media and where it may be headed in the next century The book's practical nature provides questions for discussion with each chapter and suggestions for a more critical evaluative attitude toward the media

Gef! Christopher Josiffe, 2021-02-24 An exhaustive investigation of the case of Gef a talking mongoose or man weasel who appeared to a family living on the Isle of Man I am the fifth dimension I am the eighth wonder of the world During the mid 1930s British and overseas newspapers were full of incredible stories about Gef a talking mongoose or man weasel who had allegedly appeared in the home of the Irvings a farming family in a remote district of the Isle of Man The creature was said to speak in several languages to sing to steal objects from nearby farms and to eavesdrop on local people Despite written reports magazine articles and books several photographs fur samples and paw prints voluminous correspondence and signed eyewitness statements there is still no consensus as to what was really happening to the Irving family Was it a hoax An extreme case of folie plusieurs A poltergeist The possession of an animal by an evil spirit Now you can read all the evidence and decide for yourself Seven years research and interviews photographs many previously unseen interviews with surviving witnesses visits to the site all are presented in this book the first

examination of the case for seventy years In the words of its mischievous enigmatic subject If you knew what I know you d know a hell of a lot Follow Your Heart; Find Your Soul Marian Dimson,2018-10-22 In search of a bright future as an interior decorator Mary moves to Toronto and finds work as a live in housekeeper for the affluent Hamilton family but all is not well in Mary s new home Katherine Hamilton a psychiatrist leans on her education to help heal following the death of her daughter Desperate to put herself back together Katherine seeks affections outside her marriage Alex is a young man destined to run the family business For generations his kin have practiced law but Alex wants to be an artist When he decides to pursue his dream he expects his father to be disappointed instead he shows Alex his mother s art hidden in the attic and Alex is reintroduced to the beloved woman he lost Mary and Alex s paths cross and they find love and comfort in one another Still life has a way of interrupting the peace Katherine s affair is discovered and she must find a way to put both herself and her marriage back together Mary witnesses this as an observer as she faces her own challenges in loving Alex A moment in a cemetery gives Mary a glimpse into her past life which changes everything as past becomes future and the separate lives of once broken strangers meld into destiny **Obituaries from the Times** ,1951 Including an index to all obituaries and tributes appearing in the Times **Weekly return of births and deaths (infectious diseases, weather) in London (and other great towns).** Registrar-general,1861 **Weekly Return of Births and Deaths in London, and in Other Great Towns** ,1871 **The Young Woman's Journal** ,1907 Proceedings of the Grand Lodge of Kentucky ... Freemasons. Grand Lodge of Kentucky,1891 *Moon Palace* Paul Auster,2010-12-28 A beautiful and haunting San Francisco Chronicle novel of an orphan s search for love for his unknown father and for the key to the elusive riddle of his fate from New York Times bestselling author Paul Auster Auster is a master storyteller Moon Palace shimmers with mysteries The Washington Post Book World Marco Stanley Fogg is an orphan a child of the sixties a quester tirelessly seeking the key to his past the answers to the ultimate riddle of his fate As Marco journeys from the canyons of Manhattan to the deserts of Utah he encounters a gallery of characters and a series of events as rich and surprising as any in modern fiction Beginning during the summer that men first walked on the moon and from there moving backward and forward in time to span three generations Moon Palace is propelled by coincidence and memory illuminated by marvelous flights of lyricism and wit Here is an entertaining and moving novel from an author well known for his breathtaking imagination **Fine Print** ,1981

Empowering Words Karen A. Weyler,2013-05-01 Standing outside elite or even middling circles outsiders who were marginalized by limitations on their freedom and their need to labor for a living had a unique grasp on the profoundly social nature of print and its power to influence public opinion In *Empowering Words* Karen A Weyler explores how outsiders used ephemeral formats such as broadsides pamphlets and newspapers to publish poetry captivity narratives formal addresses and other genres with wide appeal in early America To gain access to print outsiders collaborated with amanuenses and editors inserted their stories into popular genres and cheap media tapped into existing social and religious networks and sought

sponsors and patrons They wrote individually collaboratively and even corporately but writing for them was almost always an act of connection Disparate levels of literacy did not necessarily entail subordination on the part of the lessliterate collaborator Even the minimally literate and the illiterate understood the potential for print to be life changing and outsiders shrewdly employed strategies to assert themselves within collaborative dynamics Empowering Words covers an array of outsiders including artisans the minimally literate the poor indentured or enslaved and racial minorities By focusing not only on New England the traditional stronghold of early American literacy but also on southern towns such as Williamsburg and Charleston Weyler limns a more expansive map of early American authorship *State* ,1986 *births and deaths* ,1870

Repulse Monkey Dick Cluster,1989 The Drowning Summer C. L. Herman,2022-04-19 In this contemporary fantasy by the New York Times bestselling author of *All of Us Villains* two girls find themselves drawn to each other while using their supernatural powers to solve a crime until things take a deadly turn Six years ago three Long Island teenagers were murdered their drowned bodies discovered with sand dollars placed over their eyes The mystery of the drowning summer was never solved but as far as the town s concerned Evelyn Mackenzie s father did it His charges were dropped only because Evelyn summoned a ghost to clear his name She swore never to call a spirit again She lied For generations Mina Zanetti s family has used the ocean s power to guide the dead to their final resting place But as sea levels rise the ghosts grow more dangerous and Mina has been shut out of the family business When her former friend Evelyn performs another summoning that goes horribly wrong the two girls must uncover who was really behind the drowning summer murders and navigate their growing attraction before the line between life and death dissolves for good Beautifully written and enticingly witchy *The Drowning Summer* is an eerie story perfect for reading under a full moon The Medical Gazette ,1880 *Obituaries* ,2001

The History of the Snowman Bob Eckstein,2007-10-30 Who made the first snowman Who first came up with the idea of placing snowballs on top of each other and who decided they would use a carrot for a nose Most puzzling of all How can this mystery ever be solved with all the evidence long since melted The snowman appears everywhere on practically everything from knickknacks to greeting cards to seasonal sweaters we plan to return Whenever we see big snowballs our first impulse is to deck them out with a top hat Humorist and writer Bob Eckstein has long been fascinated by this ubiquitous symbol of wintertime fun and finally for the first time one of the world s most popular icons gets his due A thoroughly entertaining exploration *The History of the Snowman* travels back in time to shed light on the snowman s enigmatic past from the present day in which the snowman reigns as the King of Kitsch to the Dark Ages with the creation of the very first snowman Eckstein s curiosity began playfully enough but soon snowballed into a mostly earnest quest of chasing Frosty around the world into museums and libraries and seeking out the advice of leading historians and scholars The result is a riveting history that reaches back through centuries and across cultures sweeping from fifteenth century Italian snowballs to eighteenth century Russian ice sculptures to the regrettable white trash years 1975 2000 The snowman is not just part of our childhood

memories but is an integral part of our world culture appearing much like a frozen Forrest Gump alongside dignitaries and celebrities during momentous events Again and again the snowman pops up in rare prints paintings early movies advertising and over the past century in every art form imaginable And the jolly snowman ostensibly as pure as the driven snow also harbors a dark past full of political intrigue sex and violence With more than two hundred illustrations and a special section of the best snowman cartoons The History of the Snowman is a truly original winter classic smart surprisingly enlightening and quite simply the coolest book ever
