Empowered Evangelicals Rich Nathan, 1995 After years of witnessing the sometimes rancorous controversy between the Evangelical and Pentecostal camps authors Rich Nathan and Ken Wilson suggest it's way past time to recognize that there's really only one camp It is unnecessary to choose between the biblical emphasis of the great Evangelical tradition and the spiritual vitality of the Pentecostal and Charismatic traditions A new breed of believers called Empowered Evangelicals has arisen to combine the best elements of both traditions In this revised and updated edition Empowered Evangelicals examines the teaching and practice of empowered Evangelical churches and shows both Pentecostals and Evangelicals how to combine the best elements of both congregations

The Presence and

The Power Gerald F. Hawthorne, 2003-02-20 We cannot escape the truth writes Gerald Hawthorne that Jesus was completely one of us Yet Jesus taught with amazing authority spoke God's word with extraordinary power healed people who were sick raised people who were dead opened the eyes of the blind and did other miraculous things seemingly beyond the ability of humans How Hawthorne asks Was it by means of his divine nature that he did all this for certainly he was fully God as well as fully human No is his resounding answer Through a careful study of the New Testament Dr Hawthorne argues that Jesus did not act from the prerogatives of one who shared the nature of God Rather he did what he did through the Holy Spirit upon whom he depended for power and authority Essential to this view is the affirmation that Jesus was indeed fully human In the pages of *The Presence and the Power* the author shows the role of the Spirit in Jesus conception and birth in his boyhood and youth in his baptism and temptation and ministry and in his death and resurrection Hawthorne brings his discussion to a climax by setting forth his own understanding of the mystery of the interworking of the human and divine in Jesus This all serves to usher the reader into the final chapter role of the Holy Spirit in the life of the believer This concluding chapter makes the truths of the book very clear as to their life application for any and all of Jesus followers

Interpreting the Prophetic Word Willem A. VanGemen, 2010-06-01 The diversity of prophetic voices in the Bible provides a message that is rich and variegated But the variety of the testimony can be lost by limiting one's interpretations or application of the prophetic word *Interpreting the Prophetic Word* helps readers understand the harmony of the voices that reveal God's purposes in redemptive history Dr Willem VanGemen explains clearly and fully the background of the prophetic tradition He then interprets the message of the major and minor prophets using historical context and literary form and structure as tools in his analysis He concludes with an explanation of the relevance of the prophetic word today Dr VanGemen's extensive research and scholarship is presented in a readable way to unlock the door of prophecy for readers He helps them to interpret prophecy and invites them to listen to the prophets and to live the prophetic word

The Doctrine of the Holy Spirit Jacob Godebo, 2025-07-03 The Scriptures teach the church that in biblical times the coming of the Holy Spirit equally entailed objective gift of divine reality and subjective experience of his presence gifts and works There was objective pouring out and imparting of the Holy Spirit from the divine side and subjective experiential demonstration from the receivers side which resulted from the gifts endowed and power imparted along with the Holy Spirit Having given them either verbally uttered or visibly performed gifts the Holy Spirit then moved believers towards practical demonstration through subjective experience Believers subjective experience took place only as a result of the objective gift of the Holy Spirit and the resulting endowment and empowerment Thus in the objective content of his manifestation the Holy Spirit is the objective gift of God to indwell his people In the subjective content of his manifestation the Holy Spirit endows people with audibly uttered or visibly performed gifts The subjective experience of the Holy Spirit's presence therefore is an original theological input from God just like the objective impartation of the Holy Spirit Practitioners were just objects of divine

purpose and their subjective experience was divine provided and divine initiated genuine experience beyond their consciousness and calculation Reception of the Holy Spirit therefore means equally an experience of his presence gifts power and works in the church and in with and through believers from Hosanna to Maranatha **A Practical Guide to Decoding Your Dreams and Visions** Adam Thompson, Adrian Beale, 2017-07-18 Every follower of Jesus who is filled with the Holy Spirit has the ability to both receive and interpret dreams from Heaven The key to success is being equipped with practical tools and training *The Divinity Code to Understanding Your Dreams and Visions* Adam Thompson, Adrian
