The Character of Christian Scripture (Studies in Theological Interpretation) Christopher R. Seitz, 2011-10-01 The early church received the Scriptures of Israel as Christian Scriptures and did not change them The older testament was received as a witness to God and when a newer testament emerged the older was not dismissed harmonized or edited Rather the church moved forward with a two testament witness Christopher Seitz an internationally renowned expert in canonical interpretation illuminates the two testament character of Scripture and its significance for the contemporary church He interacts critically with current interest in the New Testament s use of the Old Testament and addresses an issue of perennial concern how to hear both testaments as Christian witness **The Handbook of Bible Application** Tyndale, 2020-07-07 How does prayer work What does the Bible really say about money Does the Bible have anything to say about friendship You ll find answers to these questions and many more quickly and easily in The Handbook of Bible Application The Bible is chock full of wisdom about life Yet it s not always easy to connect the dots between the various Bible passages on any particular subject you may be interested in whether your question is about dealing with money and success or about overcoming depression The Handbook of Bible Application is your guide to the Bible organized by topics that impact the way you live your life every day Accountability Attitudes Contentment Depression Doubt Encouragement Friendship Money Popularity

Thomas M. Hughes,2018-07-18 Tom Hughes a pastor for over forty years knows first hand the discouragement that comes from the endless pursuit of perfection Many have only heard the gospel of Jesus PLUS our good works A gospel all about what we do for God rather than a gospel of what God has done for us He has given us the blessed gift of His Son whose perfection is there to cover us all We can't add anything to God's perfect grace we just gratefully accept his glorious gift of salvation full and free Finally off the treadmill of working our way to heaven we can make the gospel the basis for our worship and have the rest that only comes through trusting in the accomplishments of Jesus Christ on our behalf **Behold the Bridegroom Cometh** Joseph Farah,2016-08-09 Natural disasters extreme wealth inequality and political upheaval are catching people's attention and reminding those who believe in biblical prophecy that time for the planet is running out and God's people must bear the special message given them before it is too late In Behold the Bridegroom Cometh author Joseph Farah connects Old and New Testament prophecy particularly the three angels messages of Revelation with the writings of Ellen White and other Adventist pioneers and recent world events such as the 2004 Indian Ocean tsunami the global financial crisis of 2008 and the Arab Spring to gain a renewed anticipation of Jesus soon return Don't be caught without oil in your lamp when the Bridegroom arrives
