

Dear [Name],

Thank you for trying out for the [Team Name] team. I'm sorry to inform you that you didn't make the team this year. We had a lot of wonderful, qualified players, and unfortunately cuts had to be made.

We appreciated your hard work and dedication, so I'd like to encourage you to keep practicing, work on your [skill], and try out again next year.

Thank you again for coming out and displaying such tenacity and effort. We look forward to seeing you again.

Rejection Letter Sports Tryouts:

The Final Report of the President's Commission on Olympic Sports, January 1977, Washington, D.C. United States. President's Commission on Olympic Sports, 1977 Gender and Genre in Sports Documentaries Zachary Ingle, David M. Sutera, 2013 Nonfiction films about sports have been around for decades but the previously neglected subgenre of the documentary has become increasingly popular in the last several years. Despite such recent successes as *Senna* and *ESPN's 30 for 30* series, however, few scholarly articles have been published on these works. In *Gender and Genre in Sports Documentaries*, editors Zachary Ingle and David M. Sutera have assembled essays that examine the various aspects of this art form. Some address questions of gender and sexuality, specifically how masculinity and homosexuality are represented in sports documentaries. Others focus on the characteristics of these films, exploring aspects of aesthetics and narrative. In addition to chapters on basketball, football, baseball, boxing, tennis, and auto racing, this collection features marginalized sports like quad rugby, pro wrestling, live action role playing, LARPing, and bodybuilding. Some of the films described will be familiar to readers, such as *Murderball* and *Bigger Stronger Faster*; others are less well known yet important works worthy of scrutiny. Questions about gender, sexuality, and masculinity remain hot topics in sports discourse, and this collection tackles those subjects, making *Gender and Genre in Sports Documentaries* an intriguing read for scholars, students, and the general public alike.

Identity and Myth in Sports Documentaries Zachary Ingle, David M. Sutera, 2013 Nonfiction films about sports have been around for decades, yet few scholarly articles have been published on these works. In *Identity and Myth in Sports Documentaries*, editors Zachary Ingle and David M. Sutera have assembled a collection of essays that show how myth and identity—national, religious, ethnic, and racial—are constructed, perpetuated, or questioned in documentaries produced in the United States, France, Australia, Germany, and Japan. This collection is divided into three sections. *American Identity and Myth* contains essays on consumerism, religion in sports, and post-9/11 America. *Race and Ethnicity* examines the ways in which African American, Mexican American, and Jewish identity are portrayed in the documentaries under discussion. *Global Perspectives* features films and TV series produced outside of the United States or those that provide perspectives on the international sport scene. Spanning several decades, the landmark documentaries discussed in this volume include *Hoop Dreams*, *The Endless Summer*, *The Life and Times of Hank Greenberg*, *Olympia*, and *Tokyo Olympiad*, and address such subjects as baseball, football, basketball, boxing, soccer, surfing, and the Olympics. The essays pose such questions as: How are notions of the American dream involved in athletes' aspirations? How do media texts from Australia or France construct Australian and French identity, respectively? How did filmmakers such as Leni Riefenstahl, Kon Ichikawa, and Bud Greenspan infuse their Olympic documentaries with national ideology, despite being intended for an international audience? By tackling these subjects, *Identity and Myth in Sports Documentaries* is an intriguing read for scholars, students, and the general public alike.

Campanella was a mainstay of the great Dodger teams that consistently contended for pennants in the late 1940s and 1950s. He was a three time MVP, an outstanding defensive catcher and a powerful offensive threat. But on a rainy January night in 1958, all that changed. On his way home from his liquor store in Harlem, Campanella lost control of his car, hit a utility pole and was paralyzed below the neck. Lanctot reveals how Campanella's complicated personal life, he would marry three times, played a role in the accident. Campanella would now become another sort of pioneer, learning new techniques of physical therapy under the celebrated Dr. Howard Rusk at his Institute of Physical Medicine and Rehabilitation. As he gradually recovered, some limited motion, Campanella inspired other athletes and physically handicapped people everywhere. Based on interviews with dozens of people who knew Roy Campanella and diligent research into contemporary sources, Campy offers a three dimensional portrait of this gifted athlete and remarkable man whose second life after baseball would prove as illustrious and courageous as his first. **"Then Bowa Said to Schmidt. . ."** Robert Gordon, 2013-03-01. Author Robert Gordon takes fans inside the 1993 Philadelphia Phillies run to the World Series, when first baseman John Kruk once told a fan, "I ain't an athlete, lady, I'm a baseball player." Back to 1980 when Mike Schmidt, Steve Carlton and Larry Bowa delivered the team's first World Series title, and to 2008 when a new generation experienced the ecstasy of a World Series win. Written for every fan who follows the Phillies, this unique book captures the memories and great stories from more than a century of the team's history.

In what is sure to be the definitive book on Eddie Collins's life and long career, author Rick Huhn covers the Hall of Fame player's experiences from childhood through his days at Columbia University, his tenure with the great Athletics clubs of 1906-1914, the highs and lows of a championship and scandal with the White Sox, and his return to the A's during their final run at greatness. By the time his 25 year playing career had ended, he was a pivotal performer on five all time great clubs, dominating his position like no one before or since, and earning a reputation for intelligent, selfless play that followed him to Cooperstown. Also covered in detail is his tenure with the Boston Red Sox, a team he served variously as part owner, vice president and general manager until 1951, when after 45 years in major league baseball, a stroke ended his career, and weeks later his life. **Breaking the Ice** Cecil Harris, 2007.
