Performing Early Christian Literature Kelly Iverson, 2021-10-07 Scholars of early Christian literature acknowledge that oral traditions lie behind the New Testament gospels While the concept of orality is widely accepted it has not resulted in a corresponding effort to understand the reception of the gospels within their oral milieu In this book Kelly Iverson reconsiders the experiential context in which early Christian literature was received and interpreted He argues that reading and performance are distinguishable media events and significantly that they produce distinctive interpretive experiences for readers and audiences alike Iverson marshals an array of methodological perspectives demonstrating how performance generates a unique experiential context that shapes and informs the interpretive process Iverson's study explores the dynamic oral environment in which ancient audiences experienced the gospel stories He shows why an understanding of oral performance has important implications for the study of the NT as well

as for several issues that are largely unquestioned by biblical scholars *The Influence of Information Order Effects and Trait Professional Skepticism on Auditors' Belief Revisions* Kristina Yankova, 2015-02-10 Kristina Yankova addresses the question of what role professional skepticism plays in the context of cognitive biases the so called information order effects in auditor judgment Professional skepticism is a fundamental concept in auditing Despite its immense importance to audit practice and the voluminous literature on this issue professional skepticism is a topic which still involves more questions than answers The work provides important theoretical and empirical insights into the behavioral implications of professional skepticism in auditing **Beyond Bullying** Jonathan Fast, 2016 Why are some kids magnets for bullying Why do gay teens commit suicide four times as frequently as straight teens Why do we have more men and women in prison than any other country in the world Why are school shootings and acts of domestic terrorism on the rise What could possibly be the theme that ties all of these questions together which provides a window into so many aspects of the darker aspects of human behavior In a word shame *Sex, Politics, and Religion in Star Wars* Douglas Brode, Leah Deyneka, 2012-07-02 In 1977 Star Wars blazed across the screen to become one of the highest grossing and most beloved movies of all time spawning an unprecedented merchandising phenomenon It was followed by two sequels and three prequels all of which became blockbusters Comic books novels graphic novels and magazines devoted to the films added to the mythology of George Lucas's creation Despite the impact of the franchise on popular culture however discussion of the films from a scholarly perspective has not kept pace with the films In *Sex Politics and Religion in Star Wars An Anthology* Douglas Brode and Leah Deyneka have assembled a provocative collection of essays exploring some of the more intriguing aspects of the Star Wars phenomenon Contributors to the volume tackle such hot topics as race and racism in the Star Wars galaxy Judeo Christian and Eastern religious themes homosexual romance and philosophical and political implications both earthbound and otherworldly These essays interpret the Star Wars universe from a variety of perspectives including feminist and Freudian offering insights from writers who bring a new passion to the subject A companion volume to *Myth Media and Culture in Star Wars* *Sex Politics and Religion in Star Wars* is an authoritative anthology incorporating scholarly analysis with engaging insights It will engross readers both fans and scholars alike *National Library of Medicine Current Catalog* National Library of Medicine (U.S.), *Introduction to Psychology* Rod Plotnik, 1989 Using a unique magazine style format this THOMSON ADVANTAGE BOOKS version of INTRODUCTION TO PSYCHOLOGY offers a modular visually oriented approach to the fundamentals that makes even the toughest concepts engaging and entertaining Incorporating the latest research updates the text breaks concepts down into small easily digested chunks **Current Catalog** National Library of Medicine (U.S.), First multi year cumulation covers six years 1965-70 *Psychology Catalog 2005* Neil Thomson, 2004-09 **American Book Publishing Record**, 1996 *Introduction to Psychology* Rod Plotnik, 1996 Plotnik's Fourth Edition captures the excitement of the current research that is going on in the discipline while still retaining the classic studies that

are important to careful development of the subject matter Plotnik adds coverage of new topics such as genetic research repressed memory syndrome and many others as well as updating research in every module Plotnik has revised and updated his text page by page to increase the depth of coverage in key areas without losing the student focus that made the book work so effectively in its previous edition Each chapter's opening vignette serves to organize and tie information together as Plotnik moves through major concepts Each of the module's key topics is covered in a one two or very occasionally four page spread By presenting information in these bite sized chunks with fully integrated visuals Plotnik makes the material more accessible to students and easier to recall
