Wat, 2022-01-07 The AIDS crisis reshaped life in Los Angeles in the 1980s and 90s and radicalized a new generation of queer Asian Americans with a broad vision of health equity and sexual freedom Even amid the fear and grief Asian American AIDS activists created an infrastructure of care that centered the most stigmatized and provided diverse immigrant communities with the health resources and information they needed Without a formal blueprint these young organizers often had to be creative and agitational and together they reclaimed the pleasure in sex and fostered inclusivity regardless of HIV status A community memoir Love Your Asian Body connects the deeply personal with the uncompromisingly political in telling the stories of more than thirty Asian American AIDS activists In those early years of the epidemic these activists became caregivers social workers nurses researchers and advocates for those living with HIV And

for many the AIDS epidemic sparked the beginning of their continued work to build multiracial coalitions and confront broader systemic inequities. Detailing the intertwined realities of race and sexuality in AIDS activism, *Love Your Asian Body* offers a vital portrait of a movement founded on joy. *America on Film* Harry M. Benshoff, Sean Griffin, 2021-04-20 A comprehensive and insightful examination of the representation of diverse viewpoints and perspectives in American cinema throughout the 20th and 21st centuries. *America on Film: Representing Race, Class, Gender, and Sexuality at the Movies* now in its third edition is an authoritative and lively examination of diversity issues within American cinema. Celebrated authors and academics Harry M. Benshoff and Sean Griffin provide readers with a comprehensive discussion and overview of the industrial, socio-cultural, and aesthetic factors that contribute to cinematic representations of race, class, gender, sexuality, and ability. The book incorporates several different theoretical perspectives including film genre, auteurism, cultural studies, Orientalism, the male gaze, feminism, and queer theory. The authors examine each selected subject via representative films, figures, and movements. Each chapter also includes an in-depth analysis of a single film to illuminate and inform its discussion of the chosen topic. *America on Film* fearlessly approaches and tackles several controversial areas of representation in film, including the portrayal of both masculinity and femininity in film and African and Asian Americans in film. It devotes the entirety of Part V to an analysis of the depiction of sex and sexuality in American film, with a particular emphasis on the portrayal of homosexuality. Topics covered include the structure and history of American filmmaking, including a discussion of the evolution of the business of Hollywood cinema; African Americans and American film, with a discussion of *BlacKkKlansman*; informing its examination of broader issues; Asian, Latin x, and Native Americans on film; Classical Hollywood cinema and class, with an in-depth examination of *The Florida Project*; Women in classical Hollywood filmmaking, including a discussion of the 1955 film *All that Heaven Allows*. Perfect for undergraduate and graduate students in film, media, and diversity-related courses, the book also belongs on the shelves of anyone interested in diversity issues in the context of American studies, communications, history, or gender studies. Lastly, it's ideal for use within corporate diversity training curricula and human relations training within the entertainment industry. **The Triumph of Love** Eric Reitan, 2017-07-31 Recent years have witnessed an astonishing cultural and legal shift when it comes to homosexuality and same-sex marriage. Many Christians see these changes as a defeat for Christian values, often painting Christian opponents as sell-outs to secular culture. But can there be a genuinely Christian case for same-sex marriage? This book makes that case. While sensitive to scriptural issues, it focuses on a question that cannot be answered by Scripture alone: What does love for our gay and lesbian neighbors demand? This question calls us to pair theological, philosophical, and scriptural reflection with something else: attention to gay and lesbian lives. We must attend to the psychological research and, more importantly, to the stories our gay and lesbian neighbors tell us about themselves and their experience. Love does not permit us to plug our ears with Bible verses. While this book argues that Christian love calls us to make same-sex marriage available, the deeper conclusion is that

Christian values prevail when we wrestle with these questions in a spirit of love love for those with whom we disagree and love for those most affected by the decisions we reach *For the Love of Lady Margaret* William Thomas Wilson, 1908
