From Ruth's Kitchen with Love Ruth Glasberg Gold, 2010-09-30 As a multi faceted author gracious hostess and cook Ruth has long been admired by her many friends who have been invited to her dinners One cannot forget her multi ethnic specialties among them Romanian eggplant salad Colombian Ajiaco potato soup Bukovinian Schmettentorte sour cream cake to name just a small sampling of her culinary repertoire French gastronome Jean Brillat Savarin once remarked that the discovery of a new dish does more for the happiness of the new race than the discovery of a star George Bernard Shaw also believed that there was no love more sincere than the love of food A sampling of the recipes from this book readily confirms both opinions Vladimir F Wertsman author of What's Cooking in Multicultural America Scarecrow Press 1996 This is an unpretentious cookbook designed for epicurean tastes It is also a tribute to the women of various ethnic backgrounds who left us the legacy of fine cuisine which I hope to pass on to future generations The majority of these recipes are from Bukovina once Northern Romania and other countries which were once part of the Austro Hungarian Empire Some of the Bukovinian dishes are almost legendary in their nostalgia Many have never before been documented and most probably have never been featured on restaurant menus I have wandered across four continents and have experienced life under monarchies communism and fascism all of which I survived These multiple acculturations were extremely difficult but had also some positive effects one of them being the acquisition of a myriad of recipes I am pleased to share with you some of

Jewish Soul Food Janna Gur, 2014-10-28 The author of the acclaimed *The Book of New Israeli Food* returns with a cookbook devoted to the culinary masterpieces of Jewish grandmothers from Minsk to Marrakesh recipes that have traveled across continents and cultural borders and are now brought to life for a new generation For more than two thousand years Jews all over the world developed cuisines that were suited to their needs kashruth holidays Shabbat but that also reflected

the influences of their neighbors and that carried memories from their past wanderings. These cuisines may now be on the verge of extinction, however, because almost none of the Jewish communities in which they developed and thrived still exist. But they continue to be viable in Israel, where there are still cooks from the immigrant generations who know and love these dishes. Israel has become a living laboratory for this beloved and endangered Jewish food. The more than one hundred original, wide-ranging recipes in *Jewish Soul Food*—from Kubaneh, a surprising Yemenite version of a brioche, to Ushpa lau, a hearty Bukharan pilaf—were chosen not by an editor or a chef but rather by what Janna Gur calls natural selection. These are the dishes that, though rooted in their original Diaspora provenance, have been embraced by Israelis and have become part of the country's culinary landscape. The premise of *Jewish Soul Food* is that the only way to preserve traditional cuisine for future generations is to cook it, and Janna Gur gives us recipes that continue to charm with their practicality, relevance, and deliciousness. Here are the best of the best recipes from a fascinatingly diverse food culture that will give you a chance to enrich your own cooking repertoire and to preserve a valuable element of the Jewish heritage and of its collective soul. With full-color photographs throughout.
