Rosaria Champagne Butterfield :

The Gospel Comes with a House Key Rosaria Butterfield, 2018-04-16 What did God use to draw a radical committed unbeliever to himself Did God take her to an evangelistic rally Or since she had her doctorate in literature did he use something in print No God used an invitation to dinner in a modest home from a humble couple who lived out the gospel daily simply and authentically With this story of her conversion as a backdrop Rosaria Butterfield invites us into her home to show us how God can use this same radical ordinary hospitality to bring the gospel to our lost friends and neighbors Such hospitality sees our homes as not our own but as God's tools for the furtherance of his kingdom as we welcome those who look think believe and act differently from us into our everyday sometimes messy lives helping them see what true Christian faith really looks like

The Secret Thoughts of an Unlikely Convert Rosaria Champagne Butterfield, 2014 Rosaria by the standards of many was living a very good life She had a tenured position at a large university in a field for which she cared deeply She owned two homes with her partner in which they provided hospitality to students and activists that were looking to make a difference in the world In the community Rosaria was involved in volunteer work At the university she was a respected advisor of students and her department's curriculum And then in her late 30s Rosaria encountered something that turned her world upside down the idea that Christianity a religion that she had regarded as problematic and sometimes downright damaging might be right about who God was That idea seemed to fly in the face of the people and causes that she most loved What follows is a story of what she describes as a train wreck at the hand of the supernatural These are her secret thoughts about those events written as only a reflective English professor could Back cover

Openness Unhindered Rosaria Champagne Butterfield, 2015-06-01 Terms like same sex marriage sexual orientation gender identity and gay Christian are part of daily discourse yet enormous controversy surrounds them They are the stuff of news headlines and vitriolic social media posts But they also reflect stirrings of the heart in real people with real questions and concerns Rosaria Champagne Butterfield once a leftist professor in a committed lesbian relationship and now a confessional Christian but always the thoughtful and compassionate professor has written a followup to *The Secret Thoughts of an Unlikely Convert* This book answers many of the questions people pose when she speaks at universities and churches questions not only about her unlikely conversion to Christ but about personal struggles that the questioners only dare to ask someone else who has traveled a long and painful journey Dr Butterfield not only goes to great lengths to clarify some of today's key controversies she also traces their history and defines the terms that have become second nature today even going back to God's original design for marriage and sexuality as found in the Bible She cuts to the heart of the problems and points the way to the solution which includes a challenge to the church to be all that God intended it to be and for each person to find the true

freedom that is found in Christ **Five Lies of Our Anti-Christian Age Study Guide** Rosaria Butterfield,2023-09-12

Five Lies of Our Anti-Christian Age (Book and Study Guide) Rosaria Butterfield,2023-09-12 *The Gospel Comes With a House Key: A Critical Review* Hiram R. Diaz III, The Christian church is facing many opponents to its historical teachings on sexuality in the world and within its own walls Because of this many have sought out the help of Christians who testify to having been saved out of the LGBTQ lifestyle Among those whose counsel is being diligently sought and extolled is Dr Rosaria Butterfield Given her former life as a Lesbian leftist postmodern academic Butterfield seems to offer helpful insight into LGBTQ matters as well as present Christians with helpful advice they can implement in evangelistic encounters and relationships However a critical analysis of her book and some of her related writings demonstrates rather clearly that Butterfield s doctrine of hospitality is her deeply rooted postmodern philosophical and feminist theological beliefs all of which stand in contradiction to the clear teachings of Scripture In *The Gospel Comes With A House Key A Critical Review* Hiram R Diaz III gives a careful sustained and detailed analysis of Butterfield s book and warns Christians that it is neither helpful nor neutral but in reality a means whereby pro LGBTQ Christianity can weaken the walls of sound doctrine and pave the way for more radical inclusive theologies of sexuality **"Born Again": A Portrait and Analysis of the Doctrine of**

Regeneration within Evangelical Protestantism Stephen J. Hamilton,2017-04-03 Stephen J Hamilton attempts to create a portrait of born again Christianity by providing a general introduction to the doctrine of regeneration including its development in modernity as well as short exegeses of relevant scriptural texts followed by a close reading of four theologians Philipp Jakob Spener Jonathan Edwards Friedrich D E Schleiermacher and Charles G Finney who all associate the doctrine of regeneration with an experience of presence in the individual believer In light of these analyses he then traces a general theological structure of the born again understanding of regeneration including a catalogue of theological issues over which there is significant disagreement in order to create a topography of born again theologies In the final section he applies these results to contemporary conversion narratives of non theologians It is in such conversion narratives the author argues that theologians can discover an implicit lived theology that reveals how doctrines are perceived and put into practice among Christians Accordingly this is to be understood as the result of the creative reciprocity between often tacit theological convictions and the experiences of the Christian life The final chapter as a coda to the entire work offers some concluding reflections on the present cultural and political situation in the USA pertaining to born again Christianity and argues against any oversimplifications of the relationship between born again theologies culture and politics **The Calling of the Church in Times of Polarization** ,2022-10-31 In many societies all over the world an increasing polarization between contrasting groups can be observed Polarization arises when a fear born of difference turns into us versus them thinking and rules out any form of compromise This volume addresses polarizations within societies as well as within churches and asks the question given these dynamics what may be the calling of the church The authors offer new

approaches to polarizing debates on topics such as racism social justice sexuality and gender euthanasia and ecology and agriculture in various contexts They engage in profound theological and ecclesiological reflection in particular from the Reformed tradition Contributors to this volume are Najib George Awad Henk van den Belt Nadine Bowers Du Toit Jaeseung Cha David Daniels David Fergusson Jan Jorrit Hasselaar Jozef Hehanussa Allan Janssen Klaas Willem de Jong Viktoria Kzi n Philipp Pattberg Louise Prideaux Emanuel Gerrit Singgih Peter Ben Smit Thandi Soko de Jong Wim van Vlastuin Jan Dirk Wassenaar Elizabeth Welch Annemarieke van der Woude and Heleen Zorgdrager *Living Book that Changes Lives* Dr. Harold Sala, 2016-10-21 From an agnostic doctor turned believer to an atheist professor who got down on his knees and surrendered himself to God to the wayward son of a famous preacher bestselling author Harold J Sala narrates 20 compelling stories of lives changed by God through His Living Book But more than amazing stories of people from around the world Dr Sala brings to focus the answers from the Bible to questions everybody asks eventually like e Who am I e e What is my purpose e e What happens when we die e **Sex, Purity, and the Longings of a Girl's Heart** Kristen Clark, Bethany Beal, 2019-04-30 For the modern Christian woman living in today's sexually charged society embracing God's design for sex and purity can often feel like an impossible pursuit As the culture seeks to normalize things such as pornography erotica and casual sex both single and married women of all ages feel immense pressure to conform With alluring temptations constantly inviting them to join in they might even begin to question whether God's design is truly good They wrestle with questions like What is the purpose of my sexuality What does it mean to pursue purity Are my sexual longings good or bad In this encouraging book Kristen Clark and Bethany Beal share honestly about their own struggles and victories and invite women on a personal journey to discover and reclaim a biblical vision for their sexuality Kristen and Bethany help women understand why God's design for sexuality is good relevant and leads to true hope and lasting freedom **Vanishing Grace** Philip Yancey, 2014-10-21 Why does the church stir up such negative feelings Philip Yancey has been asking this all his life as a journalist His perennial question is more relevant now than ever in a twenty year span starting in the mid nineties research shows that favorable opinions of Christianity have plummeted drastically and opinions of Evangelicals have taken even deeper dives The end of the politics oriented Evangelicalism that was so dominant in the second half of the 20th century is a strong example that we are living in a post Christian culture Yet while the opinions about Christianity are dropping interest in spirituality is rising Why the disconnect Why are so many asking What's so good about the Good News Yancey's writing has focused on the search for honest faith that makes a difference for a world in pain In his landmark book What's So Amazing about Grace he issued a call for Christians to be as grace filled in their behavior as they are in declaring their beliefs But people inside and outside the church are still thirsty for grace What the church lacked in its heyday is now exactly what it needs to recover to thrive Grace can bring together Christianity and our post Christian culture inviting outsiders as well as insiders to take a deep second look at why our faith matters and about what could reignite its appeal to future

generations How can Christians offer grace in a way that is compelling to a jaded society And how can they make a difference in a world that cries out in need Yancey aims this book at Christian readers showing them how Christians have lost respect influence and reputation in a newly post Christian culture Why do they hate us so much mystified Americans ask about the rest of the world A similar question applies to evangelicals in America Yancey explores what may have contributed to hostility toward Evangelicals especially in their mixing of faith and politics instead of embracing more grace filled ways of presenting the gospel He offers illuminating stories of how faith can be expressed in ways that disarm even the most cynical critics Then he explores what is Good News and what is worth preserving in a culture that thinks it has rejected Christian faith

Risky Gospel Owen Strachan,2013-12-03 How do you access a real thriving vibrant faith You trust a big God and you start living like he s real It s time to put our comfort and ease and false security on the line If we know God is real let s pray as if he s actually listening If we know he s good let s reflect that goodness in the world When our problems feel big let s lean on the One who is bigger Is that risky Sure says Owen Strachan Embrace it anyway It s literally the only way to live

What Is Our Christian Purpose? Kari Quijas,2018-08-20 The book originated from a midweek Bible study My husband and I have the honor of working with new converts to Christianity I kept seeing a trend of them being uncertain of their role in the kingdom of heaven They could not see within themselves what was so easy for me to see future Bible teachers music Sunday school teachers evangelist and other home missionaries like my husband and myself It was my desire to see them move forward and develop their own natural gifts The book was to inspire them to believe in themselves and to get out of their comfort safe place of what they were already familiar with get out of the boat and walk to Jesus

Messy Truth Caleb Kaltenbach,2021-08-10 From the author of Messy Grace a former pastor raised by gay parents comes a compassionate playbook to help Christians church staff and ministry leaders create a culture of belonging without sacrificing theological convictions What should we do This is a question many Christians are asking as they face shifting societal norms conflicting opinions and often inaccurate scriptural interpretations regarding those who identify as LGBTQ Caleb Kaltenbach believes there s a more helpful question What am I willing to do to keep and build influence with _____ Caleb knows our love for others is best measured by the lengths we ll go to help them He also recognizes that people find and follow Jesus better in community than in isolation As a child raised by three activist gay parents Caleb experienced firsthand the outrage of some Christians That s why he is committed to creating a sense of belonging for all people True community can happen only when Christians are intentional in infusing their attitudes systems and values with grace and truth This hopeful practical book offers tools for encouraging church involvement strengthening personal relationships increasing empathy and engaging in pivotal conversations about grace and truth with our whole community Fostering a culture of belonging is a messy process but it holds a massive possibility for everyone involved a growing relationship with Jesus
