including one life changing decision that could lead to potential ruin As the war continues the shipyard girls must support one another as they bravely soldier on Nancy Revell knows how to stir the passions and soothe the heart Northern Echo Praise for the Shipyard Girls series This author is one to watch Sun A brilliant read Take a Break Well drawn believable characters combined with a storyline to keep you turning the pages Woman **Herd Register** American Jersey Cattle Club,1925 Artistic Utopias of Revolt Julia Ramírez Blanco,2018-03-13 This book analyses the aesthetic and utopian dimensions of various activist social movements in Western Europe since 1989 Through a series of case studies it demonstrates how dreams of a better society have manifested themselves in contexts of political confrontation and how artistic forms have provided a language to express the collective desire for social change The study begins with the 1993 occupation of Claremont Road in east London an attempt to prevent the demolition of homes to make room for a new motorway In a squatted row of houses all available space was transformed and filled with elements that were both aesthetic and defensive so when the authorities arrived to evict the protestors sculptures were turned into barricades At the end of the decade this kind of performative celebration merged with the practices of the antiglobalisation movement where activists staged spectacular parallel events alongside the global elite s international meetings As this book shows social movements try to erase the distance that separates reality and political desire turning ordinary people into creators of utopias Squatted houses carnivalesque street parties counter summits and camps in central squares all create a physical place of these utopian visions **Trolls** Brian Froud,Wendy Froud,2022-09-01 The internationally acclaimed artists authors are your personal guides to the enchanted world of Trolls in this book of troll tales and culture Not since Brian Froud s conceptual design work with Jim Henson on the classic films The Dark Crystal and Labyrinth has he created a faerie world with such imagination dimension depth and detail Trolls opens a new realm in the celebrated faerie worlds of famed artists Brian and Wendy Froud renowned for their vast and personal knowledge of faeries goblins and other folk Through their art sculptures and stories the Frouds take you on a wondrous adventure into the world of trolls Trolls live through the telling of tales and the passing on of stories weaving them together then letting them flow separately again as streams rivers tree roots and branches do Stories as they are collected are tied to a troll s tail A tale for the asking the giving the keeping Trolls includes stories of stone and bone wood and feather along with tale fragments snippets of stories to be told in full down the road or ones that have been lost and are to be remembered again Interspersed among the stories are troll customs philosophies and practices How many kinds of trolls are there Where do they live and what do they like to eat Why do some trolls father together while others seek solitude Troll lore is interwoven with a vast treasure of artifacts and symbols of their world from the wind knot to the Petrified Parsnip Poetry Pen from the witch s cursing bundle to the elusive Earthling Gift Your journey through Trolls will reveal many mysteries wonder and enchantments and there are no better guides for your adventure than Brian and Wendy Froud *Macbeth* William Shakespeare,1997-07-24 This is the most extensively annotated edition of Macbeth currently

available offering a thorough reconsideration of one of Shakespeare's most popular plays. A full and accessible introduction studies the immediate theatrical and political contexts of Macbeth's composition, especially the Gunpowder Plot and the contemporary account of an early performance at the Globe. It treats such celebrated issues as whether the Witches compel Macbeth to murder, whether Lady Macbeth is herself a witch, whether Banquo is Macbeth's accomplice in crime, and what criticism is levelled against Macduff. An extensive, well-illustrated account of the play in performance examines several cinematic versions such as those by Kurosawa and Roman Polanski and other dramatic adaptations. Several possible new sources are suggested and the presence of Thomas Middleton's writing in the play is proposed. Appendixes contain additional text and accompanying music.

Locating Lynette Roberts Siriol McAvoy, 2019-04-01. Offers a broad yet detailed exploration of Lynette Roberts's writing encompassing poetry, prose, and radio broadcasts. It will thus benefit students and scholars by offering the knowledge base and theoretical starting points that they need in order to launch their own investigations. It will benefit teachers by offering a much-needed sourcebook on Roberts's life and work. Throws light on the interesting cultural relationship between Wales and Argentina. Essays arranged in chronological order allow readers to trace the evolution of Roberts's style in the context of British and Welsh social and cultural history. It brings together the most recent and original research on Lynette Roberts since 2005. Flags up Lynette Roberts's wider relevance to Welsh, British, literary history, and key developments in literary and cultural studies.

Hounded Jenny Lindsay, 2024-09-24. The last decade has seen countless cases of women being fired, disciplined, protested, or no-platformed for their views on sex and gender. Whether high-profile celebrities or previously unknown feminists, such women's vocal non-belief in gender identity as a universal human condition bears a high social cost. These houndings are often presented starkly, clinically, in headlines or fleeting social media moments, stripped of the true cost of holding such beliefs. But what is the reality behind the headlines and noise? What are the true consequences of holding and living with such seemingly now heretical thoughts? *Hounded* charts the often hidden and unspoken harms women face for prioritising and defending sex-based language and rights. Outlining the often bewildering array of tactics used by opponents against such women, as well as the resilience required to refuse to be silenced, Lindsay presents a compelling argument for recognition of the individual and social harms that are being enacted under the auspices of gender identity activism. This debut non-fiction book by award-winning poet and essayist Jenny Lindsay, whose own hounding offers a unique perspective, is a solid, sane, witty but also compassionate account about the very human cost of this extraordinary cultural and political schism.
