Greater Love, No Greater Sacrifice Jeremiah F. Stephens,2020-02-09 The poems contained in this book were all written at key points in my life In essence each poem served as a source of inspiration to get me through dark times and remind me of my dependency on the grace of God Each piece included in this book focuses on salvation and who you are in God You may notice that some of these pieces have a unique flow and structure that one would normally associate with lyrics to a song and such pieces can be converted to contemporary Gospel songs Because of the connection between these poems and my heart I feel these are my most personal work This book is the first of more to come I hope that in reading these short pieces you too can be inspired to believe I believe these poems will inspire you no matter where you may find yourself in life as they will serve to remind you that you are somebody because God values you The greatest message God ever proclaimed to humanity was through the sacrifice of His Son Jesus through His death upon the cross We live in a world that does not value human dignity a world that treats people as if they are commodities But I hope to introduce you through these writings to a higher love It is my desire that you learn to see yourself through the eyes of God rather than through the eyes of the world
