takes his life to places unknown and finally to his grave The book explains how successive regimes helped plant a seed of animosity between the two Sabaoth sub tribes watered it and pruned its branches until its fruition stage After decades of blatant indecisiveness Sabaoth Land Defense Force was born The bloodthirsty militia will eventually set up a parallel government and fronted a leader of its choosing who won the Mount Elgon constituency parliamentary seat with a landslide in the contested 2007 Kenyan General Elections The book also wittingly revisits the 2007 2008 Post Election Violence why it all had to happen why it might happen yet again and implicitly offers a pathway that might save Kenyans from an imminent recurrence Most important in detail it explains the recipes that often give birth to militias in modern day Kenya whose illegitimate tact of trying to solve a legitimate issue is rarely refreshing as was the case with Sabaoth Land Defense Force More so the book gives you an ideal picture of how it was living through those turbulent moments when Kenyans maimed beheaded evicted forcibly circumcised robbed raped and shattered lives of fellow Kenyans It is a necessary retreat to that ugly past that we would have loved to forget as soon as last year that past that is indeed a dark chapter in our history as a country that we must draw meaningful lessons from We must thus make it our default duty reminding our seemingly ever self centered crafty and unpredictable leaders that never again should they take us back there The Ugly Beautiful Tale of a Stupid Stupid Heart is a unique nostalgic and candid manifestation of our everyday struggles challenges and hurdles in life with self and others Many a time such hurdles are direct consequences of personal decisions resulting from the usual interactions and the seemingly never ending complex relationships with our friends relatives neighbors and the ruling elite in our society
