Nymphomania Other Erotic Encounters With Love Goddesses:

Akhenaten Ted Kramer, 2018-10-15 This book is a historical novel It combines historical records with likely but also speculative events and ideas such as beliefs love family relations leadership qualities or lack thereof beliefs conjugal and family ties among Egyptian royalty religion and religious upheaval and a unique revolutionary departure from traditional Egyptian religion from polytheism to monotheism and finally the murder of a pharaoh The worship of light and its permanence through all subsequent civilizations was historically introduced by Akhenaten and is visually presented to the reader The story happened at a crucial time when Egypt expanded its intellectual as well as commercial ties throughout what we now call the Middle East It was at a time when the presence of Hebrews in Egypt was documented and when the Moses story and the Exodus presumably occurred Some credence is given to the Bible to Sigmund Freud's book *Moses and Monotheism* to the two Jewish theologian brothers Massoud at the University of Montpellier in France and to Ahmed Osman an Egyptian archaeologist in England All this is interwoven with the author's own ideas The primary goal of the author was not to convince the reader of the truth of the story but to develop an interesting and credible story The secondary goal was to advance the notion that light particularly sunlight is not just a physical phenomenon but the principal radiation and tradition on our planet the source of life and the object of worship not just for Akhenaten but to many other religions

Abstinence Cinema Casey Ryan Kelly, 2016-03-08 From the perspective of cultural conservatives Hollywood movies are

cesspools of vice exposing impressionable viewers to pernicious sexually permissive messages Offering a groundbreaking study of Hollywood films produced since 2000 Abstinence Cinema comes to a very different conclusion finding echoes of the evangelical movement's abstinence only rhetoric in everything from Easy A to Taken Casey Ryan Kelly tracks the surprising sex negative turn that Hollywood films have taken associating premarital sex with shame and degradation while romanticizing traditional nuclear families courtship rituals and gender roles As he demonstrates these movies are particularly disempowering for young women concocting plots in which the decision to refrain from sex until marriage is the young woman's primary source of agency and arbiter of moral worth Locating these regressive sexual politics not only in expected sites like the Twilight films but surprising ones like the raunchy comedies of Judd Apatow Kelly makes a compelling case that Hollywood films have taken a significant step backward in recent years Abstinence Cinema offers close readings of movies from a wide spectrum of genres and it puts these films into conversation with rhetoric that has emerged in other arenas of American culture Challenging assumptions that we are living in a more liberated era the book sounds a warning bell about the powerful cultural forces that seek to demonize sexuality and curtail female sexual agency

The New International Encyclopædia Frank Moore Colby, Talcott Williams, 1917 [The Philosophy of Mario Perniola](#) Enea Bianchi, 2022-07-14 Enea Bianchi provides the first in depth introduction to the pioneering thought of 20th century Italian philosopher Mario Perniola Examining Perniola's entire oeuvre this book also pushes his philosophy into new directions by investigating the connection between his aesthetics and the philosophical underpinnings of dandyism Rich in influences from ancient Stoicism to Roman ritualism Baroque literature and avant garde revolutionary movements Perniola's philosophy is wide ranging This book highlights and explores numerous notions pivotal to understanding Perniola's thought including the sex appeal of the inorganic the enigma strategic beauty and the artistic shadow Combining these concepts with three exemplar dandies George Brummell Charles Baudelaire and Oscar Wilde Bianchi demonstrates not only the close relationship between their principles and Perniola's aesthetics but their shared and timely opposition to the status quo A dandy philosophy emerges which challenges the individual not only to refute the ongoing commodification of tastes emotions and lifestyles but also to develop a welcoming and loving disposition with respect to the enigma of our prismatic world [New International Encyclopedia](#), 1914
