TASER® Conducted Electrical Weapons: Physiology, Pathology, and Law Mark W. Kroll, Jeffrey D. Ho, 2009-02-27 TASER Conducted Electrical Weapons are rapidly replacing the club for law enforcement control of violent subjects within many countries around the globe A TASER CEW is a hand held device that delivers a 400 volt pulse with a duration tuned to control the skeletal muscles without affecting the heart at a distance of up to 6 5 meters over tiny wires If necessary it begins with an arcing voltage of 50 000 V to penetrate thick clothing the 50 000 V is never delivered to the body itself Due to the widespread usage of these devices and the widespread misconceptions surrounding their operation this book will have significant utility This volume is written for cardiologists emergency physicians pathologists law enforcement management corrections personnel and attorneys

The Policing Machine Tony Cheng, 2023-12-13 A revelatory look at how the NYPD has resisted change through strategic and selective community engagement The past few years have seen Americans express passionate demands for police transformation But even as discussion of no knock warrants chokeholds and body cameras has exploded any changes to police procedures have only led to the same outcomes Despite calls for increased accountability police departments have successfully stonewalled change In *The Policing Machine* Tony Cheng reveals the stages of that resistance offering a close look at the deep engagement strategies that NYPD precincts have developed with only subsets of the community in order to counter any truly meaningful democratic oversight Cheng spent nearly two years in an unprecedented effort to understand

the who and how of police community relationship building in New York City documenting the many ways the police strategically distributed power and privilege within the community to increase their own public legitimacy without sacrificing their organizational independence By setting up community councils that are conveniently run by police allies handing out favors to local churches that will promote the police to their parishioners and offering additional support to institutions friendly to the police the NYPD like police departments all over the country cultivates political capital through a strategic politics that involves distributing public resources offering regulatory leniency and deploying coercive force The fundamental challenge with police community relationships Cheng shows is not to build them It is that they already exist and are motivated by a machinery designed to stymie reform

Raw Deal Gil Valle, Brian Whitney, 2017-02-28 One of the most twisted tales you will ever read a story of cannibal fetishes a terrified wife lying FBI agents a false conviction Patrick Quinlan Los Angeles Times bestselling author Optioned in February 2019 for a motion picture Raw Deal is the untold story of former New York City police officer Gil Valle who in 2012 became known throughout the world as The Cannibal Cop It is part the controversial saga of a man who was imprisoned for thought crimes and a look into a world of dark sexuality and violence that most readers don't know exists except maybe in their nightmares After Valle's arrest media coverage exploded in a frenzy of lurid tabloid headlines and stories about the cop charged with planning to kidnap torture rape and eat women including his own wife But here's the fascinating part there was no such plan in reality Valle faced life in prison for his charges and served 21 months for nothing more than having online chats about his fantasies He was finally exonerated of all charges Raw Deal raises the question of when does thought become a crime A question that goes beyond his perverse sexuality to answers society must deal with in order to meet the challenge of terrorism It will challenge the reader's beliefs about free speech the right to privacy and government's role in watching over us

WARNING This book contains graphic fantasy material of a sexual and violent nature It is intended for Mature Audiences A big part of what makes this book fascinating is seeing the contrast between Valle's extreme interests and his normal life
