James F. Albrecht, Garth den Heyer, 2021-02-16 Contemporary police service delivery and performance are complex phenomena Law enforcement particularly at the local level must therefore face the additional challenges of globalization cybercrime counter terrorism and calls for reform at a time when extreme budgetary constraints are being implemented Policing operations encompass multiple critical tasks and responsibilities not routinely measured and evaluated such as response to incidents involving medical assistance homelessness mental illness community engagement and neighborhood problem solving endeavors This volume aims to provide government criminal justice and policing administrators policy makers and criminal justice scholars and researchers with comprehensive analyses of the critical issues impacting the challenges inherent in providing effectual public safety security and service all from a global perspective It takes into account popular criticism extreme budgetary constraints and the relatively novel and overwhelming challenges of terrorism and cybercrime The book merges study and practice to identify avenues to best serve community interests ensure organizational success and enhance public confidence in policing and in rule of law **American Volunteer Police:**

Mobilizing for Security Martin Alan Greenberg, 2014-10-21 Today it is estimated there are over 200 000 volunteers in police work throughout the United States Although the need for such volunteers has never been greater there is a lack of published materials regarding the nature of volunteer police work and how qualified citizens may augment police services

American Volunteer Police Mobilizing for Sec Homegrown Violent Extremism Erroll Southers, 2014-09-25 In the country's changing threat environment homegrown violent extremism HVE represents the next challenge in counterterrorism Security and public policy expert Erroll Southers examines post 9 11 HVE what it is the conditions enabling its existence and the

community based approaches that can reduce the risk of homegrown terrorism Drawing on scholarly insight and more than three decades on the front lines of America s security efforts Southers challenges the misplaced counterterrorism focus on foreign individuals and communities As Southers shows there is no true profile of a terrorist The book challenges how Americans think about terrorism recruitment and the homegrown threat It contains essential information for communities security practitioners and policymakers on how violent extremists exploit vulnerabilities in their communities and offers approaches to put security theory into practice

Gender, National Security, and Counter-Terrorism Margaret L. Satterthwaite, Jayne Huckerby, 2013-02-15 In the name of fighting terrorism countries have been invaded wars have been waged people have been detained rendered and tortured and campaigns for hearts and minds have been unleashed Human rights analyses of the counter terrorism measures implemented in the aftermath of 11 September 2001 have assumed that men suffer the most both numerically and in terms of the nature of rights violations endured This assumption has obscured the ways that women men and sexual minorities experience counter terrorism By integrating gender into a human rights analysis of counter terrorism and human rights into a gendered analysis of counter terrorism this volume aims to reverse this trend Through this variegated human rights lens the authors in this volume identify the spectrum and nature of rights violations arising in the context of gendered counter terrorism and national security practices Introduced with a foreword by Martin Scheinin former UN Special Rapporteur on Human Rights and Counter Terrorism the volume examines a wide range of gendered impacts of counter terrorism measures that have not been theorized in the leading texts on terrorism counter terrorism national security and human rights **Gender National Security and Counter Terrorism** will be of particular interest to scholars and students in the disciplines of Law Security Studies and Gender Studies

Recovering Police Legitimacy Rafe McGregor, 2024-07-11 Transatlantic policing is experiencing an unprecedented crisis of legitimacy epitomised by public responses to the murders of George Floyd and Sarah Everard during the COVID 19 pandemic Legitimacy is lost when the police either fail to protect the public or rely on coercion rather than consent to achieve that protection **Recovering Police Legitimacy** challenges conventional criminological political and public solutions to the problem by approaching it from the bottom up beginning with policing as a practice constituted by a unique set of excellences skills and characteristics The author draws on his experience as a police officer and on the serial fictions of James Ellroy David Peace and Nic Pizzolatto to characterise the practice in terms of heroic struggle edgework absolute sacrifice and worldmaking These characteristics provide an analytic tool for revolutionising our understanding of the relations among policing as a situated practice public protection and police legitimacy and for identifying the different levels at which legitimacy is undermined His conclusion is that recovery is possible but will be slow in pace and incomplete in scope Written accessibly for students police officers policymakers scholars and anyone with an interest in police legitimacy this is a groundbreaking study of a pressing social problem

Dragnet Nation Julia Angwin, 2014-02-25 One of Publishers Weekly s Top 10 Business Economics Books A

fascinating inside look at who's watching you what they know and why it matters Kirkus Reviews A New York Times Bestseller In DragNet Nation award winning investigative journalist Julia Angwin reports from the front lines of America's surveillance economy offering a revelatory and unsettling look at how the government private companies and even criminals use technology to indiscriminately sweep up vast amounts of our personal data In a world where we can be watched in our own homes where we can no longer keep secrets and where we can be impersonated financially manipulated or even placed in a police lineup Angwin argues that the greatest long term danger is that we start to internalize the surveillance and censor our words and thoughts until we lose the very freedom that makes us unique individuals Appalled at such a prospect Angwin conducts a series of experiments to try to protect herself ranging from quitting Google to carrying a burner phone showing how difficult it is for an average citizen to resist the dragnets reach Her book is a cautionary tale for all of us with profound implications for our values our society and our very selves Draws on conversations with researchers hackers and IT experts surveying the modern dragnet tracking made possible by massive computing power smaller devices and cheap storage of data Kirkus Reviews A useful well reported study Los Angeles Times Informative conversational a helpful guide for readers seeking non jargony information on minimizing their digital footprints Columbia Journalism Review Angwin a longtime reporter on digital privacy issues for the Wall Street Journal releases the contemporary and unfortunately nonfiction companion book to Orwell's 1984 DragNet Nation examines the surveillance economy and its effect on free speech and thought likely causing readers to rethink the next words they type into a search engine LA Weekly

The New Normal Amitai Etzioni, 2014-11-05 Amitai Etzioni argues that societies must find a way to balance individual rights and the common good This point of balance may change as new technologies develop the natural and international environments change and new social forces arise Some believe the United States may be unduly shortchanging individual rights that need to be better protected Specifically should the press be granted more protection Or should its ability to publish state secrets be limited Should surveillance of Americans and others be curtailed Should American terrorists be treated differently from others How one answers these questions Etzioni shows invites a larger fundamental question Where is the proper point of balance between rights and security Etzioni implements

the social philosophy liberal communitarianism Its key assumptions are that neither individual rights nor the common good should be privileged that both are core values and that a balance is necessary between them Etzioni argues that we need to find a new balance between our desire for more goods services and affluence particularly because economic growth may continue to be slow and jobs anemic The key question is what makes a good life especially for those whose basic needs are sated
