Measured Constructs Cyril J. Weir,Ivana Vidaković,Evelina D. Galaczi,2013-05-23 This volume establishes how English language constructs were measured in Cambridge English examinations over the period 1913 to 2012 An addition to the Studies in Language Testing series this volume provides an overview of English language testing over the last century with coverage of key theoretical and practical aspects of the assessment of reading listening writing and speaking skills It includes examples of the Cambridge English exams old and new and is the first volume to describe in a systematic way the different theoretical influences which have shaped the development of the constructs underlying Cambridge English exams in the last 100 years *Educating English Language Learners* Fred Genesee,2006-01-16 The book provides a review of scientific research on the learning outcomes of students with limited or no proficiency in English in U S schools Research on students in kindergarten to grade 12 is reviewed The primary chapters of the book focus on these students acquisition of oral language skills in English their development of literacy reading writing skills in English instructional issues in teaching literacy and achievement in academic domains i e mathematics science and reading The reviews and analyses of the research are relatively technical with a focus on research quality design characteristics and statistical analyses The book provides a set of summary tables that give details about each study including full references characteristics of the students in the research assessment tools and procedures and results A concluding chapter summarizes the major issues discussed and makes recommendations about particular areas that need further research **Industrial and Labor Relations Review** ,2005 *Beyond Reading, Writing, and Arithmetic* Laura Jean Colker,1997 Bilingual and Multilingual Education in the 21st Century Christian Abello-Contesse,Paul M. Chandler,María Dolores López-Jiménez,Rubén Chacón-Beltrán,2013-10-30 Bilingual education is one of the fastest growing disciplines within applied linguistics This book includes the work of 20 specialists working in various educational contexts across Europe Latin America and North America to create a volume which is both comprehensive in scope and multidimensional in its coverage of current bilingual initiatives The central themes of this volume which draws on past experiences of bilingual education include issues in language use in classrooms at elementary secondary and tertiary levels participant perspectives on bilingual education experiences and the language needs of bi and multilingual students in monolingual schools This collection will be of interest to teachers and administrators in bi and multilingual education programs as well as scholars working in the field of language education *Resources in Education* ,1995 Research in Education ,1973-12 **Linguistics and Language Behavior Abstracts** ,1997 *US Education in a World of Migration* Jill Koyama,Mathangi Subramanian,2014-03-14 Given the protracted varied and geographically expansive changes in migration over time it is difficult to establish an overarching theory that adequately analyzes the school experiences of immigrant youth in the United States This volume extends the scholarly work on these experiences by

exploring how immigrants carve out new identities construct meanings and negotiate spaces for themselves within social structures created or mediated by education policy and practice It highlights immigrants that position themselves within global movements while experiencing the everyday effects of federal state and local education policy a phenomenon referred to as glocal global local or localized global phenomena Chapter authors acknowledge and honor the agency that immigrants wield and combine social theories and qualitative methods to empirically document the ways in which immigrants take active roles in enacting education policy Surveying immigrants from China Bangladesh India Haiti Japan Colombia and Liberia this volume offers a broad spectrum of immigrant experiences that problematize policy narratives that narrowly define notions of immigrant citizenship and student *Clearinghouse Review* ,1991-04 **Creating Contexts for Second Language**

Acquisition Arnulfo G. Ramirez,1995 **Adult Vocational ESL** Jo Ann Crandall,1979 Foreign Language Program Articulation Carolyn Lally,2001-01-30 Few matters induce more dialogue among foreign language educators than the problem of students transition between levels of language study Secondary school teachers worry about how best to prepare their students for the demands of postsecondary language study College instructors struggle with how to integrate a diversely prepared freshman population into their curriculum The mission of this volume has been to assemble the theory research and vision of leaders in the field of foreign language articulation into a single volume which will benefit foreign language educators students program administrators and researchers by presenting models of the most recent articulation efforts in the United States Readers are provided with practical suggestions for facilitating placement at the local level and offered theoretical direction for the future The scope of this work is broad enough to reflect the experience and observations of most educators grappling with placement issues while chapter themes offer concrete and theoretical insight into many individual facets of articulation Dissertation Abstracts International ,1970 *Spanish* Stephen L. Levy,1983 **Our Aging Population** ,2000 Key Developments in Bilingual Education and Bilingualism ,2025-10-16 This reader presents key contributions from the past three decades of bilingualism research demonstrating the trajectory of key themes and areas of study Celebrating 30 years of Multilingual Matters Bilingual Education and Bilingualism book series the chapters offer an overview of key developments in the field to date The book focuses on four strands which have emerged over the course of the series bilingual children and family language policy multilingualism in the classroom bilingual immersion education and language policy and advocacy This reader offers students and researchers a deeper understanding of how the field has evolved current issues in bilingual education and the implications for both practice and future research *The ETS Test Collection Catalog* Educational Testing Service.
