Oath Keepers Guardians Of The Republic:

Oath Keepers Sarah Marrie Burge, Jason Andrew Hill, 2014-11-02 From a time when men took honor in protecting that which mattered most freedom for themselves and those around them Comes a group so true and needed that it has been a cornerstone of communities nation wide And will continue to be true as long as the members have a breath in their body And life in their hearts

Oath Keepers Sam Jackson, 2020-09-01 Since 2008 the American patriot militia movement right wing antigovernment groups who portray themselves as fighting encroaching tyranny has grown exponentially Oath Keepers is among the most visible and vocal of these organizations Formed in 2009 Oath Keepers gained notoriety for its involvement in the Bundy Ranch standoff of 2014 and the Malheur Refuge occupation of 2016 The group gives voice to a recurrent form of American politics virulent distrust of the government combined with a valorization of violence Sam Jackson takes readers inside the world of the most prominent antigovernment group in the United States examining its extensive online presence to discover how it builds support for its political goals and actions Through an extensive textual analysis of the group s publications Jackson explores how Oath Keepers draws on core American political values and pivotal historical moments of conflict and crisis from the Revolutionary War to Waco to Hurricane Katrina to cast its adherents as defenders of liberty He details how Oath Keepers makes sense of the contemporary United States how it provides members with models of political behavior and how it lobbies the wider American public to join the group The first book length investigation of the contemporary patriot militia movement Oath Keepers sheds new light on what animates groups that pose a growing threat to American security and political culture

American Apocalyptic Juli L. Gittinger, 2024-07-18 In this book Juli Gittinger argues that America s fascination obsession with the apocalypse is a synthesis of religion popular culture and politics in a way that is particular to the US and consonant with mythological historical narratives of America As a result we can identify American apocalypticism as a sort of religion in itself that is closely tied to civil religion that has a worldview and rituals that create identifiable communities and connects American mythology to apocalyptic anxieties Gittinger discusses how various cultures and groups form as a result of this obsession and that these communities form their own rituals and responses in various forms of prepping or survivalist practices She lays out an argument for a broad eschatology prevalent in the US that extends beyond traditional religious designations to form an apocalyptic worldview that is built into our narrative as a country as well as furthered by popular culture and media s contribution to apocalyptic anxieties Subsequently Gittinger uses case studies of apocalyptic events current or speculative that reveal how our anxieties about the end of the world as we know it inform our culture as well as religious narratives that emerge from such crises

Meet the Deplorables Harmon Leon, Ted Rall, 2017-12-12 Ripped from the headlines Meet the Deplorables Infiltrating Trump America ventures deep into Red State territory and explores the current shape of our divided country providing a fresh first hand perspective of right wing subcultures and the mindsets of the so called deplorables who helped propel Donald J Trump to the Oval Office In his

inimitable Gonzo style infiltration journalist HARMON LEON whose stories have appeared in VICE Esquire The Nation and National Geographic dons a variety of disguises and goes undercover into the heart of Trump America where his exploits include canvassing door to door as a Trump supporter hanging out with Trump fanatics as they receive free Donald tattoos demonstrating how easy it is to purchase an assault weapon on Facebook visiting an anti Muslim hate group on the same day as a mass shooting spending time with anti choice protesters in front of Planned Parenthood joining a conversion therapy group that tries to turn gay men straight and many many more Adding an innovative extra dimension to the book two time winner of the RFK Journalism Award and Pulitzer Prize finalist TED RALL enhances the carefully crafted narrative and connects Leon s audacious accounts to the greater Trump phenomena with his own distinctive full color cartoons and insightful analysis including a poignant epilogue A necessary read in the time of Trump this unique collaboration by the formidable team of Harmon Leon and Ted Rall holds up a mirror to modern conservative life and reflects a reality that is outrageous entertaining and always illuminating

American Cults Jim Willis,2023-03-07 America has spawned hundreds of cults Charismatic leaders periodically burst into the news for the most awful of reasons We are awash with stories of brainwashed members struggles to leave Meet the messianic leaders see the indoctrination and manipulation look at their beliefs and read the stories of some of America s most notorious eccentric and unusual cults From false religions and offshoots of traditional religions to political financial sexual and hate groups American Cults Cabals Corruption and Charismatic Leaders looks at 40 groups and leaders including their histories deceits manipulations and twisted ideologies Some rely on systems of obedience submission and dependency More than a few have mystifying beliefs Others are dark and murderous You ll encounter curious bizarre and sometimes upsetting stories of Charming manipulative and exploitative leaders Jim Jones Jim Baker David Berg David Koresh and many many others The breakaways from traditional religions Father Divine and the Peace Mission Jehovah s Witnesses the Westboro Baptist Church the Gospel of Prosperity and many more Political Ponzi metaphysical and science schemes the cult of the scientific method pyramid schemes political cults the Unification Church and much more Aliens extraterrestrials and the cosmos Church of Scientology Ra lians and Heaven s Gate to name a few End times and doomsday cults rapture beliefs Edgar Cayce the Ant Hill Kids and more Racial radical and social media cults QAnon Ku Klux Klan Oath Keepers Antifa and others Sex perversity and submission NXIVM Sullivanians Rajneesh and many more American Cults looks at why America is such a fertile ground for cults how some people got caught in their webs and how some managed to escape With more than 120 photos and graphics this tome is richly illustrated Its helpful bibliography provides sources for further exploration and an extensive index adds to its usefulness

Right-Wing Resurgence Daryl Johnson,2012-09-14 In 2008 there were 149 militia groups in the United States In 2009 that number more than tripled to 512 and now there are nearly 600 In Right Wing Resurgence author Daryl Johnson offers a detailed account of the growth of right wing extremism and militias in the United States and the ever increasing threat they pose The author is

an acknowledged expert in this area and has been an intelligence analyst working for several federal agencies for nearly 20 years The book is also a first hand insider s account of the DHS Right Wing Extremism report from the person who wrote it It is a truthful depiction of the facts circumstances and events leading up to the leak of this official intelligence assessment The leak and its aftermath have had an adverse effect on homeland security Because of its alleged mishandling of the situation the Department s reputation has declined in the intelligence and law enforcement communities and the analytical integrity of the Office of Intelligence and Analysis was undermined Most importantly the nation s security has been compromised during a critical time when a significant domestic terrorist threat is growing This book is replete with case studies and interviews with leaders which reveal their agendas how they recruit and how they operate around the country It presents a comprehensive account of an ever growing security concern at a time when this threat is only beginning to be realized and is still largely ignored in many circles

Moving beyond Islamist Extremism William Allchorn,2021-12-21 Traditionally far right terrorism has been the black swan of terrorism studies receiving less attention than Jihadi extremism In this book William Allchorn takes a deep dive into multiple geographical locales and the online space of far right movements uncovering the crisis narratives that are animating violent far right extremist milieus and presenting solutions on what we can do to stop them Using eight country case studies and the results of an online pilot project this is the first book length presentation and discussion of counter techniques to far right narratives exploring their effectiveness the ethics of such techniques and their ability to disrupt pathways from radicalism towards violent extremism Coming at a time of a renewed global wave of far right violence this book is of use to scholars as well as practitioners in the fields of far right studies terrorism studies and strategic communications

Right-Wing Extremism in Canada and the United States Barbara Perry,Jeff Gruenewald,Ryan Scrivens,2022-06-29 This book is the first collection of scholarship featuring both Canadian and American scholarship on the resurgent right wing extremist movement in the two countries It is particularly timely given the recent rise in political populism that has engendered renewed activism from extreme right contingents Trump s right wing populist and white nationalist political campaign has galvanized Canadian and American white supremacist ideologies identities movements and practices Leading Canadian and American scholars are brought together to explore a contemporary array of current dynamics patterns and characteristics associated with the movement in each country Split into four sections it provides an introduction to extremism in the 21st century it examines studying extremism forms of extremist activity and violence and the responses The collection allows comparisons to be drawn out from the distinct treatments of each country It speaks to students as well as scholars in social sciences departments including criminology sociology social justice and terrorism peace and security studies and political violence related programs

Star-Spangled Jesus April Ajoy,2024-10-01 A hilarious and eye opening account of leaving Christian Nationalism behind to follow Jesus better April Ajoy wouldn t have called herself a Christian Nationalist when she performed her original song America Say Jesus on the Jim Bakker show or when she

participated in Jesus Marches across America or when she posted cringe worthy videos on YouTube to campaign for Mitt Romney April just considered herself a good Christian faithful Republican and determined to make America a Christian nation once again But as her view of the world widened Ajoy began to see cracks in her steadfast beliefs and recognized the ways her conservative politics and religion were intertwined in her mind Did God really bless America Is it actually by His red white and blue stripes that we are healed Ajoy content creator and podcast host shares funny stories from her time deep within Christian nationalism exploring how aspects of evangelical culture such as product boycotts Satanic panic and end times theology have all been exploited to advance the Christian Nationalist narrative She also illuminates the ways nationalist thinking has infiltrated our churches and political arenas shaping not only modern evangelical culture but also American public policy and international relations Part memoir part guidebook part call to action Star Spangled Jesus explores how the fight to make America a Christian nation has damaged us all and shows how one woman left Christian Nationalism and why America should too [A Field Guide to White Supremacy](#) Kathleen Belew, Ramon A. Gutierrez, 2021-10-26 Drawing explicit lines across time and a broad spectrum of violent acts to provide the definitive field guide for understanding and opposing white supremacy in America Hate racial violence exclusion and racist laws receive breathless media coverage but such attention focuses on distinct events that gain our attention for twenty four hours The events are presented as episodic one offs unfortunate but uncanny exceptions perpetrated by lone wolves extremists or individuals suffering from mental illness and then the news cycle moves on If we turn to scholars and historians for background and answers we often find their knowledge siloed in distinct academic subfields rarely connecting current events with legal histories nativist insurgencies or centuries of misogynist anti Black anti Latino anti Asian and xenophobic violence But recent hateful actions are deeply connected to the past joined not only by common perpetrators but by the vast complex of systems histories ideologies and personal beliefs that comprise white supremacy in the United States Gathering together a cohort of researchers and writers A Field Guide to White Supremacy provides much needed connections between violence present and past This book illuminates the career of white supremacist and patriarchal violence in the United States ranging across time and impacted groups in order to provide a working volume for those who wish to recognize understand name and oppose that violence The Field Guide is meant as an urgent resource for journalists activists policymakers and citizens illuminating common threads in white supremacist actions at every scale from hate crimes and mass attacks to policy and law Covering immigration antisemitism gendered violence lynching and organized domestic terrorism the authors reveal white supremacy as a motivating force in manifold parts of American life The book also offers a sampling of some of the most recent scholarship in this area in order to spark broader conversations between journalists and their readers teachers and their students and activists and their communities A Field Guide to White Supremacy will be an indispensable resource in paving the way for politics of alliance in resistance and renewal **America: Our Sacred Honor** Mary A.

Kardes,2015-06-16 America is at a crossroads and the road we elect to travel will either restore the spirit of America or continue to weaken our country forever Ordinary American citizens must make fundamental decisions We have been warned and though the warnings have been muted by media sources and special interest groups they are growing louder Voices of genuine concern come from within the United States and from abroad We Americans must listen to and take seriously what we are being told We need to educate ourselves about American history real unbiased history We need to know the Constitution the very cornerstone of our nation and we need to hold our politicians and government leaders accountable Americans must once again stand united to defend our beloved country and our very way of life The Radical Right During Crisis Eviane Leidig,2021-09-21 While the COVID 19 pandemic overshadowed all else and would quickly have a lasting impact on our daily lives other events related to the radical right in 2020 soon surfaced From terrorist attacks in Germany and India to anti mask protests across the U S and Europe radical right violence escalated in the midst of circulating conspiracy theories and disinformation The yearbook draws upon insightful analyses from an international network of scholars policymakers and practitioners who explore the dynamics and impact of the radical right It explores a wide range of topics including reflections on authoritarianism and fascism the role of ideology and counter intellectuals and radical right responses to the pandemic and calls for police reform in the height of the Black Lives Matter protests It ends with important assessments on best approaches towards countering the radical right both online and offline This timely overview provides a broad examination of the global radical right in 2020 which will be useful for scholars students policymakers journalists and the public **January 6 and the Politics of History** Stephanie McCurry,Joanne B. Freeman,Elizabeth Hinton,Jill Lepore,William Sturkey,Julian E. Zelizer,2024-03 On January 6 2021 more than two thousand rioters stormed the doors of the U S Capitol building in Washington D C hoping to interrupt the peaceful transfer of power from former president Donald Trump to his successor Joseph Biden The deaths property damage and vicious rampage that ensued were witnessed on live television as an unprecedented attack on the democratic process and those who strive to protect it As an installment of UGA Press s History in the Headlines series this book offers a rich discussion between highly respected scholars on the historical backdrop and context for contemporary issues from the headlines In addition to the historical context this conversation demonstrates how historians speak to one another about contentious topics and how they contribute in meaningful ways to the public s understanding of momentous events This volume focuses on the historical context of the January 6 attack and employs a free flowing conversation style that allows the historians a more unconventional format The participants discuss if and if so how historians should engage in public debates and what that engagement means to their roles as academic authorities in the public **The Highest Law in the Land** Jessica Pishko,2024-09-17 Shortlisted for Columbia Journalism School s J Anthony Lukas Prize A Publishers Lunch NonFiction Buzz Book Named Most Anticipated by Los Angeles Times A leading authority on sheriffs investigates the impunity with which they police their communities alongside the troubling role

they play in American life law enforcement and increasingly national politics The figure of the American sheriff has loomed large in popular imagination though given the outsize jurisdiction sheriffs have over people s lives the office of sheriffs remains a gravely under examined institution Locally elected largely unaccountable and difficult to remove the country s over three thousand sheriffs mostly white men wield immense power making arrests running county jails enforcing evictions and immigration laws with a quarter of all U S law enforcement officers reporting to them In recent years there s been a revival of constitutional sheriffs who assert that their authority supersedes that of legislatures courts and even the president They ve protested federal mask and vaccine mandates and gun regulations railed against police reforms and ultimately declared themselves election police with many endorsing the Big Lie of a stolen presidential election They are embraced by far right militia groups white nationalists the Claremont Institute and former president Donald Trump who sees them as allies in mass deportation and border policing How did a group of law enforcement officers decide that they were above the law What are the stakes for local and national politics and for America as a multi racial democracy Blending investigative reporting historical research and political analysis author Jessica Pishko takes us to the roots of why sheriffs have become a flashpoint in the current politics of toxic masculinity guns white supremacy and rural resentment and uncovers how sheriffs have effectively evaded accountability since the nation s founding A must read for fans of Michelle Alexander Gilbert King Elizabeth Hinton and Kathleen Belew

Chaos Comes Calling Sasha Abramsky, 2024-09-03 A harrowing tale of how polarization threatened to break apart two American communities and how one found a way back while the other splintered Donald Trump s November 2016 electoral victory was the beginning of four years of demagoguery presidential name calling and ten months into a pandemic an incitement to violence that led a mob of thousands to descend on the Capitol in Washington DC Fueled by suspicion conspiracy and bigotry a faction of Americans had decided to seize control But the biggest effect of this right wing wave may not have been on our national politics but on the local governments of communities around the country In **Chaos Comes Calling** Sasha Abramsky investigates the empowerment of the far right over the past few years stoked by the Trump presidency and the Covid 19 pandemic He tells the parallel stories of two communities Shasta County California and Sequim Washington where toxic alliances of QAnoners anti vaxxers Christian nationalists militia supporters and other denizens of the far right have worked to take control of the levers of power The trajectories of both communities expose the stark divisions and extremism that have come to define our political landscape over the past decade and offer revealing glimpses of what the future may hold While Sequim ultimately recalibrated in 2021 returning to rationality Shasta County has descended further into a climate of intolerance and toxic divisiveness **Chaos Comes Calling** vividly captures both the regressive forces gaining momentum all over the country and the tireless efforts of citizens determined to organize against them

QAnon and Other Replacement Realities George Lundskow, Sarah MacMillen, 2023-11-15 **Q Anon and Other Replacement Realities** How Religious Emotion Threatens Free Society but Can Also Contribute to a Progressive Future

examines the historical and theological origins and the social psychological effects of American conspiracy fantasies that Q Anon and other right wing beliefs foster The authors argue that as progressive social change moves groups of people and the natural world from the margins to the mainstream this inclusiveness threat mobilizes reactionary forces that embrace wild fantasies of Satanic sacrifice Jewish global control racial replacement communism cannibalism pedophilia orgies of rape and murder and manipulations to steal elections and enslave the normal white population To counter such gratifying myths and replace violence with mutually reinforcing social interaction the authors challenge the rhetoric that abuses power The book maps out an alternative to destructive hateful polarizing and conspiratorial discourse with new more life giving rational emotional and spiritual orientations The authors hope this will move American society towards a new collective national identity based on inclusiveness and equality around a social character defined by compassion gratitude reverence and love

Swear an Oath Kevin Morse,2010-08-20 A struggling private investigator Alan Williams is called out of the blue by an old friend and colleague He arrives only too late after his friend is killed What looked like a suicide to the police looks differently to Alan as a murder Coincidentally the day before a merger victim washed up shore on the Detroit River which really has the police baffled Alan has an acquaintance in the department and since the police are overwhelmed with the killings Alans acquaintance Sergeant Lorenzo decides to engage the services of Alan to investigate Quickly Alan and his associates are drawn into a world of mystery esoteric knowledge secret oaths and secret organizations Swear an Oath has all the makings of a mystery thriller with secrets that could have reshape ones perspective and have huge implications on the world

Sermons from Mind and Heart Rodney Wallace Kennedy,2011-07-27 Sermons from Mind and Heart attempts to show the week by week theological work that a pastor does The combining of the intellectual with the emotional is rooted in the categories of logos and pathos from Aristotle s Rhetoric Some of the sermons have substantive theological reflections with multiple sources and are thus heavily footnoted other sermons have no footnotes This doesn t mean that any sermon lacks logos or pathos but that there is an interplay a back and forth of a pastor struggling to communicate the Gospel in a this is that way that honors both the then of Scripture and the now of contemporary life Rhetorical scholarship and methodology are important in understanding the content and the structure of the sermons What matters most is the sense that these sermons are an ongoing theological conversation between the pastor and his congregation Sermons after all are meant to be heard and they exist in the moment as authentic rhetorical acts All other versions of the sermon including this written form are only echoes of the primal sermonic experience

Psychological Borders in Europe and the United States Maria del Mar Fariña,2023-10-16 Psychological Borders in Europe and the United States Contemporary Nationalism Nativism and Populism presents an integrative sociopolitical and psychological analysis model to examine contemporary sociopolitical rising ideologies in Europe and the United States specifically nationalism nativism and populism Further this book explores processes involved in the construction and sociopolitical mobilization of large group identities Political

psychology is introduced to discuss the formation of national and psychological borders and their manifestations including dynamics of identity driven aggression The connection between the rise of ideologies such as nativism and populism and historical collective traumas is discussed highlighting the role of social re enactments identity transformation and large collective mourning to contemporary sociopolitical dynamics in Europe and the United States Ethnic racial and intergroup conflict and the role of immigration and asylum policy in maintaining changing and transforming existing collective identities is discussed to then examine the war between Russia and the Ukraine This book includes specific case applications to European countries and the United States where nationalism nativism and populism have been on the ascendant

Wingnuts Perseus,2014-08-12 Wingnuts exist on the extreme edges of the political spectrum They re the professional polarizers and the unhinged activists the hardcore haters and the paranoid conspiracy theorists They re people who always try to divide us instead of unite us And at a time when the fringe is blurring with the base they ve hijacked American politics The Obama era has been a boom time for Wingnuts kicked off by a financial collapse and the election America s first black president For some losing an election feels like living under tyranny John Avlon tracks down preachers who pray for the president s death goes inside the growing Hatriot militia movement and identifies the fright wing swamp where the Obama Birthers and the Bush era 9 11 Truthers bubble up Wingnuts echo earlier fear fueled movements in American history But bolstered by the rise of hyper partisan media the Wingnut echo chamber is more influential than ever before and it has led directly to the division and dysfunction in Congress Avlon asserts that the time has come for the moderate majority of Americans to straighten their civic backbone and hold the extremes accountable while restoring a sense of perspective to our politics

The Enigmatic Realm of **Oath Keepers Guardians Of The Republic**: Unleashing the Language is Inner Magic

In a fast-paced digital era where connections and knowledge intertwine, the enigmatic realm of language reveals its inherent magic.
