Handbook on the Economics of Insurance Law Daniel Schwarcz,Peter Siegelman,2015-08-28 The fields of insurance law and insurance economics have long and distinguished scholarly histories but participants in the two disciplines have not always communicated well across academic silos This Handbook encourages more policy relevant insurance e Politics of the Administrative Process Donald F. Kettl,2020-01-14 Kettl s Politics of the Administrative Process continues to resonate well with students of public administration because it discusses key concepts and theories in a straightforward cogent and contemporary manner that both faculty and students appreciate Brian Bulla Appalachian State University Efficient public administration requires a delicate balance the bureaucracy must be powerful enough to be effective but also accountable to elected officials and citizens Donald F Kettl understands that the push and pull of political forces in a democracy make the functions of bureaucracy contentious but no less crucial Politics of the Administrative Process gives students a realistic relevant and well researched view of the field while remaining reader friendly with engaging vignettes and rich examples With a unique focus on policymaking and politics the Eighth Edition continues its strong emphasis on politics accountability and performance **Way Down in the Hole** Angela J. Hattery,Earl Smith,2022-10-14 Based on ethnographic observations and interviews with prisoners correctional officers and civilian staff conducted in solitary confinement units Way Down in the Hole explores the myriad ways in which daily intimate interactions between those locked up twenty four hours a day and the correctional officers charged with their care custody and control produce and reproduce hegemonic racial ideologies Smith and Hattery explore the outcome of building prisons in rural economically depressed communities staffing them with white

people who live in and around these communities filling them with Black and brown bodies from urban areas and then designing the structure of solitary confinement units such that the most private intimate daily bodily functions take place in very public ways Under these conditions it shouldn't be surprising but is rarely considered that such daily interactions produce and reproduce white racial resentment among many correctional officers and fuel the racialized tensions that prisoners often describe as the worst forms of dehumanization Way Down in the Hole concludes with recommendations for reducing the use of solitary confinement reforming its use in a limited context and most importantly creating an environment in which prisoners and staff co exist in ways that recognize their individual humanity and reduce rather than reproduce racial antagonisms and racial resentment Way Down the Hole Video 1 <https://youtu.be/UuAB63fhge0> Way Down the Hole Video 2 <https://youtu.be/TwEuw1cTrcQ> Way Down the Hole Video 3 https://youtu.be/bOcBv_UnHIs Way Down the Hole Video 4 https://youtu.be/cx_l1S8D77c
