Be Obsessed or Be Average Grant Cardone, 2016-10-11 From the millionaire entrepreneur and New York Times bestselling author of The 10X Rule comes a bold and contrarian wake up call for anyone truly ready for success One of the 7 best motivational books of 2016 according to Inc Magazine Before Grant Cardone built five successful companies and counting became a multimillionaire and wrote bestselling books he was broke jobless and drug addicted Grant had grown up with big dreams but friends and family told him to be more reasonable

and less demanding If he played by the rules they said he could enjoy everyone else s version of middle class success But when he tried it their way he hit rock bottom Then he tried the opposite approach He said NO to the haters and naysayers and said YES to his burning outrageous animal obsession He reclaimed his obsession with wanting to be a business rock star a super salesman a huge philanthropist He wanted to live in a mansion and even own an airplane Obsession made all of his wildest dreams come true And it can help you achieve massive success too As Grant says we re in the middle of an epidemic of average The conventional wisdom is to seek balance and take it easy But that has really just given us an excuse to be unexceptional If you want real success you have to know how to harness your obsession to rocket to the top This book will give you the inspiration and tools to break out of your cocoon of mediocrity and achieve your craziest dreams Grant will teach you how to Set crazy goals and reach them every single day Feed the beast when you value money and spend it on the right things you get more of it Shut down the doubters and use your haters as fuel Whether you re a sales person small business owner or 9 to 5 working stiff your path to happiness runs though your obsessions It s a simple choice be obsessed or be average

Obsession Lennard J. Davis,2009-05-15 We live in an age of obsession Not only are we hopelessly devoted to our work strangely addicted to our favorite television shows and desperately impassioned about our cars we admire obsession in others we demand that lovers be infatuated with one another in films we respond to the passion of single minded musicians we cheer on driven athletes To be obsessive is to be American to be obsessive is to be modern But obsession is not only a phenomenon of modern existence it is a medical category both a pathology and a goal Behind this paradox lies a fascinating history which Lennard J Davis tells in Obsession Beginning with the roots of the disease in demonic possession and its secular successors Davis traces the evolution of obsessive behavior from a social and religious fact of life into a medical and psychiatric problem From obsessive aspects of professional specialization to obsessive compulsive disorder and nymphomania no variety of obsession eludes Davis s graceful analysis

Extreme Killing James Alan Fox,2005 Extreme Killing Understanding Serial and Mass Murder provides a comprehensive fascinating overview of multiple homicide including both serial and mass murder Adopting a unified conceptual framework for understanding these divergent forms of extreme killing this book illustrates the many violent expressions of power revenge terror greed and loyalty using contemporary and classic case studies in multiple murder In Extreme Killing renowned experts James Alan Fox and Jack Levin examine the theories of criminal behavior and apply them to a multitude of well known and lesser known cases from around the world The authors draw upon research from two large data sets one comprised of serial killers and the other of those who have committed massacres The book presents the many commonalities

among multiple murders and also focuses on the varieties of serial and mass killing The authors address the characteristics of both killers and their victims and in their concluding chapter discuss the special concerns of multiple murder victims and their survivors Serial Murder and the Psychology of Violent Crimes Richard N.
