Intersex in Christ

Jennifer Anne Cox, 2018-07-20 Intersex is an umbrella term for many different conditions that cause ambiguous sexual biology Intersex people are in between neither clearly male nor clearly female Intersex has been largely hidden through surgery and secrecy but is now coming out into the open Many intersex people have experienced physical psychological and relational pain because of the shame attached to their bodily difference The existence of people with unusual sexual biology presents a challenge to the Christian ideal of humanity as male and female How can evangelical Christians rightly respond to this phenomenon Intersex in Christ provides a balance of grace and truth upholding male and female as God's created intent while insisting that there is a positive place in the kingdom of God and the world for people with unusual sexual biology Intersex people are created in the image of God because of the love of God Jesus accepts loves and dignifies intersex people The gospel of Jesus Christ is good news for all people however sexed An evangelical response to intersex will therefore be one of acceptance love justice and inclusion Intersex in Christ will help both intersex Christians and the church to understand intersex through the lens of Christ

The Rise of the Antichrist Lowell B. Hudson, 2018-11-13 Does the idea of Biblical Prophecy seem well laughingly absurd galactically improbable Good It's supposed to seem that way In fact for Biblical prophecy to work properly its readers have to be highly skeptical Biblical prophecy requires even promotes uber skepticism at times to evoke the intended response in its readers The credibility of its message that its words were authored by God gains increased potency as the highly improbable happens again and again When the absurdly improbable actually occurs over and over in documented historically verifiable situations our fundamental assumptions are challenged We are confronted with the possibility that on a truly foundational level everything we thought we knew may really be wrong or radically incomplete That's what Biblical prophecy is about on a macro level That's its big idea Biblical prophecies also seek to warn about particularly important slices of future history Not because that future can be changed but so it can be met with integrity and intact faith This book is obviously focused on those Biblical prophecies involving the Antichrist's rise to power By using careful time honored traditional methods of Biblical investigation we'll have a serious and sober look at what the Scriptures really say about this future world ruler There are also some new discoveries that many would find surprising even shocking Now that's a lot to swallow all at once That the future is knowable on some level and that it's going to be so horrible Why would anyone want to believe this could happen Deep down I don't want to believe it It's so much easier to reject it than to allow it to threaten your whole frame of reference That tug of war that vague unease that's supposed to happen too It's Biblical prophecy doing its thing It takes a lot of guts to consider ideas that have the power to explode your comfortable world view If you decide to read this book remember it's ok to be skeptical It's absolutely required for a healthy mind But resist the awful temptation to reject out of hand Aside from being an addictive and lazy habit it just may deprive you someday

of knowing that wonderful excruciating panic of having your mind blown open **God Called Me for a Purpose** Joseph Wright,2023-02-09 Knowing that God has a calling on your life and understanding your calling is just the beginning of a progression that leads to working successfully within that calling The Lord Called Me for a Purpose gives insight to the preparation process and the required commitment to the developing stages of spiritual leadership Within this book you will come to understand the need for proper training and the understanding of disciplines essential in building tenacity in your study of God and in your covenant relationship that guides you through your growth process Knowing that you were chosen by God and gifted in a specific calling this book helps you to understand the critical issues of the premature birth of your calling and the successful rewards of your calling coming into public view in due season Moreover The Lord Call Me for a Purpose helps you to understand that spiritual leadership is in a sense stewardship through the favor of God You will recognize the favor of God as having to be responsible and accountable for what truly belongs to God God has called you into leadership and you must answer the call so prepare yourself for a close encounter with the Spirit of God that is about to lead you into greater works *Report of Commission I: Carrying the Gospel to All the Non-Christian World* ,1910 The Influence of Christ in Modern Life Newell Dwight Hillis,1900 Preaching Christ from Daniel Sidney Greidanus,2012-12-19 In Preaching Christ from Daniel Sidney Greidanus shows preachers and teachers how to prepare expository messages from the six narratives and four visions in the book of Daniel Using the most up to date biblical scholarship Greidanus addresses foundational issues such as the date of composition the author s and original audience of the book its overall message and goal and various ways of preaching Christ from Daniel Throughout his book Greidanus puts front and center God s sovereignty providence and coming kingdom Each chapter contains building blocks for constructing expository sermons and lessons including useful information on the context themes and goals of each literary unit links between Daniel and the New Testament how to formulate the sermon theme and goal contemporary application and much more *How Can They Say There is No God, When the Evidence is So Clear* Barbara Crawford,2021-10-20 How Can They Say There is No God When the Evidence is So Clear By Barbara Crawford The author began journaling in 1985 maybe even earlier She looked through her house in closets and under the nightstand discovering eight journals She knew that discovery was of God When she began reading the journals she was in awe of how God was always there and still is How Can They Say There is No God When the Evidence is so Clear is a journey through those miraculous journal entries and the author s life its ups and downs its successes and failures its joy and heartbreak Through it all God was there The Sabbath Recorder ,1928 **Sermons preached in Manchester** Alexander Maclaren,1873 **The Gospel of the Prince of Peace, A Treatise on Christian Pacifism** Daniel H. Shubin,2014-03-14 The message preached by Jesus of Nazareth the Son of God that the essence of the gospel is the deliverance of humanity from its perpetual self destructive trend of warfare and the many sufferings that result from it This book will also unveil that his message consisted of peaceful coexistence and toleration between people and

nations Evidence will also be provided to the reader to testify that the only proper manner for a Christian to conduct himself in the matter of war and military service is to refuse The author Daniel H Shubin has written in the past a theology and a commentary on the Bible compiled a 4 volume History of Russian Christianity and books on philosophy and religion Dan was a conscientious objector during the Vietnam War as was his father during World War 2 and also acts as an advisor for military age young men of his denomination He has been married 41 years to wife AnnaMarie and they have 3 adult offspring

The Christ in Life James Locke Batchelder,1887 *Bury the Dead* Laurel Dykstra,2013-09-09 *Bury the Dead* is a collection of personal encounters with death stories of Alzheimer s AIDS cancer hospice suicide murder systemic violence genocide and war In this book a teenager tenderly washes her mother s body a community organizer cries outrage over his blood soaked comrade a father builds a coffin for his infant son martyrs are honored by a former political prisoner a young scholar s experiences in Palestine shape her reading of the Exodus narrative and a community of gardeners plant trees at urban core murder sites Drawing from sources such as the peace movement the Catholic Worker and Occupy these stories make connections between medicine delivery labor picket lines and PICC lines between jazz funeral secondlines and the front lines of countless struggles Part pastoral theology part movement history this book powerfully demonstrates that resisting the power of death is at the heart of Christian discipleship and that in a culture that fears death we will only find resurrection in facing it **God's Workmanship** Frank E. Lasater Jr.,2014-08-21 We cannot know God in depth without recognizing and acknowledging His absolute glorious sovereignty over all things in all times and in every aspect of our lives He is Lord and His will reigns supreme When we finally come to this conclusion when our thoughts prayers and daily actions finally align at last with the teachings of Scripture on this most important matter we will know Him better As a consequence the good works to which we were ordained in the new birth will glorify God in His sovereignty Gospel Advocate ,1904 *A Palestinian Theology of Liberation* Ateek, Naim Stifan,2017-10-12 *Zionism and the Quest for Justice in the Holy Land* Donald E. Wagner,Walter T. Davis,2014-07-01 A critical examination of political Zionism a topic often considered taboo in the West is long overdue Moreover the discussion of Christian Zionism is usually confined to Evangelical and fundamentalist settings The present volume will break the silence currently reigning in many religious political and academic circles and in so doing will provoke and inspire a new challenging conversation on theological and ethical issues arising from various aspects of Zionism a conversation that is vital to the quest for a just peace in Israel and Palestine The eight authors offer a rich diversity of religious faith academic research and practical experience as they represent all three Abrahamic faiths and five different Christian traditions Among the many themes that run through *Zionism and the Quest for Justice in the Holy Land* is the contrast between exclusivist narratives both biblical and political and the more inclusive narratives of the prophetic Scriptures which provide the theological foundation and the moral imperative for human liberation Readers will be drawn into a compelling readable and stimulating series of essays that tackle many of the complex issues that still confound clergy

politicians diplomats and academic experts Christ at the Checkpoint April Alexander, 2012-02-01 What does the evangelical church in Palestine think about the land the end times the Holocaust peace in the Middle East loving enemies Christian Zionism the State of Israel and the possibilities of a Palestinian state For the first time ever Palestinian evangelicals along with evangelicals from the United States and Europe have converged to explore these and other crucial topics Although Jews Muslims and Christians from a variety of traditions have participated in discussions and work regarding Israel and Palestine this book presents theological biblical and political perspectives and arguments from Palestinian evangelicals who are praying hoping and working for a just peace for both Israelis and Palestinians **The Land of Christ** Yohanna Katanacho, 2013-10-01 Palestinians and Israeli Jews live in one land yet as two distinct communities each of which claims ownership of the same territory How are we to understand the divine promise pertaining to the land Did God promise the land exclusively to the Jewish people Do the Palestinians have a right to live in the land or does God want them to leave After affirming important Palestinian Evangelical concerns The Land of Christ challenges the argument that God gave the land to Israel Yohanna Katanacho asks 1 What are the borders of the land 2 Who is Israel 3 How did God give Israel the land Through careful biblical exegesis the book responds to these questions exposing the superficiality of many slogans and claims Then the book presents an alternative biblical theology of the land However the theology of the land in this book is intimately associated with the context in Israel Palestine The Palestinian Kairos Document is the most accepted representative of the current Palestinian context and theology The book unpacks this document and extrapolates on its theology of the land Finally the author does not leave the reader without hope Katanacho portrays Hagar as a symbol of hope and considers the Korahite Psalms from the perspective of refugees
