Mexicano and Latino Politics and the Quest for Self-Determination Armando Navarro, 2015-01-08 This book examines the current status of Mexicano and Latino politics in the United States Political scientist and community activist Armando Navarro maintains that both represent a dysfunctional and failed mode of politics attributable to their system maintenance and mainstream ideological orientation and approach As colonial agents they protect both a United States that is decaying and declining and the degenerative liberal capitalist system Navarro argues that the United States is not a representative democracy but in fact is a White Corpocratic Dictatorship controlled by Capital which is evolving into a Fascist State The book provides an in depth analysis and contention that Mexicanos and Latinos in Aztlan Southwest are an occupied and internal colonized people It argues they are the Palestinians and Kurds of the United States His supposition is sustained by the book's profiles of Mexicano political history demography socioeconomics electoral politics immigration and the Triad Crisis e.g. Second Great Depression Global Economic Crisis and Global Capitalist Crisis Each chapter provides the justification and case for Navarro's two unique alternative change models applicable to today's bankrupt and failed Mexicano and Latino Politics in the twenty first century The preferred model is Aztlan's Politics of a Nation Within a Nation APNWN which is based on the models of the Mormon Nation of Utah and that of French Quebec Navarro therefore calls for the reformation of the United States liberal capitalist system by way of social democracy for the empowerment of Mexicanos and Latinos His second model is Aztlan's Politics of Separatism APS which offers two strategic options 1 Aztlan Southwest becoming a separate and sovereign nation state or 2 its reannexation and re integration with Mexico Navarro outlines a plan of action for building a New Movement designed to attain APNWN or APS In addition several ominous forecasts are made such as the United States being in a state of decline and no longer a hegemonic superpower due to the rise of a multi polar world Moreover Navarro attributes the United States decline to the inherent contradictions of global capitalism His sobering message is that if the current economic conditions are left unchanged this will produce an End of Times scenario the unleashing of the Four Horseman of the Apocalypse

released by the Census Bureau the AP reports that minorities account for 90 percent of the total U S growth since 2000 due to immigration and higher birth rates for Latinos According to John Logan a Brown University sociologist who has analyzed most of the census figures The futures of most metropolitan areas in the country are contingent on how attractive they are to Hispanic and Asian populations Both non Hispanic whites and blacks are getting older as a group These groups are tending to fade out he added Another demographer William H Frey with the Brookings Institution told The Washington Post that this has been a pivotal decade We re pivoting from a white black dominated American population to one that is multiracial and multicultural Multicultural America A Multimedia Encyclopedia explores this pivotal moment and its ramifications with more than 900 signed entries not just providing a compilation of specific ethnic groups and their histories but also covering the full spectrum of issues flowing from the increasingly multicultural canvas that is America today Pedagogical elements include an introduction a thematic reader s guide a chronology of multicultural milestones a glossary a resource guide to key books journals and Internet sites and an appendix of 2010 U S Census Data Finally the electronic version will be the only reference work on this topic to augment written entries with multimedia for today s students with 100 videos with transcripts from Getty Images and Video Vault the Agence France Press and Sky News as reviewed by the media librarian of the Rutgers University Libraries working in concert with the title s editors

MULTICULTURALISM Martin Guevara Urbina, 2014-09-19 In the twenty first century few studies have delineated the U S multiculturalism story beyond black and white to include the truths and realities of other Americans over time resulting in highly skewed academic publications While the white experience and to a lesser extent the black experience has been well documented the brown experience for instance has been neglected minimized or excluded from the pages of history Clearly

there has been a great need for researchers to examine the multiple intertwining forces of historical and contemporary movements defining shaping and governing the everyday experience of America's people. In the face of centuries of manipulation, exploitation, oppression, and sometimes brutal violence, blacks, browns, reds, yellows, and others are still here fighting not only for ethnic and racial tolerance but also for equality, justice, respect, and human dignity. In fact, despite the long legacy of hate, violence, and oppression against America's most disadvantaged communities, particularly undocumented people, the minority population will continue to grow, and with pressing demographic shifts, ethnic and racial minorities will soon become the new face of America. In delineating the dynamics of multiculturalism over the years, contributing authors illustrate that the United States is nowhere near a post-racial society, and thus we must prioritize equality, justice, and multiculturalism if the U.S. is in fact going to have a balanced system. Globally, the United States must actively engage in significant and positive social transformation in the new millennium if the U.S. is going to be situated and reflective of a post-racial society in the twenty-first century. *Twenty-First Century Dynamics of Multiculturalism* will be of benefit to professionals in the fields of sociology, history, minority studies, Mexican American, Chicano studies, ethnic Latino studies, law, political science, and also those concerned with sociolegal issues.
