Rediscovering The New Testament Church:

Rediscovering the New Testament Church Anthony Jacomb-Hood, 2014-12-22 The vast majority of Western Christians assume that church as we know it is somehow patterned after New Testament norms with our services our pastors and priests and our Sunday morning sermons Rediscovering The New Testament Church gently challenges that assumption meticulously uncovering the New Testament description of what God calls church Have we perfected what God set in motion or did we fix what was never broken in the first place **The Miraculous Assembly** Oluyemi Ogunjimi, 2021-10-06 In The Miraculous Assembly God reaches out to those who seek validation of their Christian experience and long to manifest His presence Miraculous is not what the New Testament Church does it is what she is In search of acts of wonder she is losing her true nature It is time to rediscover and recover her essence as The Miraculous Assembly The Church is a temple that Jesus Christ is building for God Currently many local churches employ wrong motives and use alien practices to build His Church These methods have changed the perception of what the Church is and many Christians do not know who they are in Jesus Christ Strange practices have gradually crept into the Church psychologists hypnotists and capitalists are gradually replacing the truth of God with a lie They define the Church and authenticity of the Christian experience by cheap acts of wonder which they can easily counterfeit Showmanship is replacing Christlikeness When a construction project is in danger of going wrong the architect calls the attention of the engineers and artisans to the building plans This book is a call by the Lord for His builders to return to the plan He calls Pastors Church Leaders and Christians alike to fall in line before an imminent pruning of the Church by the Father This Bible centered book shows that it is all in His word The Old Testament is the blueprint for the New Testament and the early Church is a model to follow Inside this book you will find An exploration of the roles and nature of miracles and the Church Keys for Christians and local churches to experience the miraculous life The triune means of God's presence with His people The triune foundation of the Church Types of anointing and speaking in tongues Four chapters on speaking in tongues Biblical keys to Church growth The true signs of God's presence as His timeless unmistakable sovereign acts in His assembly What it means to have a God centered life and a God centered Church

The Church according to Paul James W. Thompson, 2014-09-09 Amid conflicting ideas about what the church should be and do in a post Christian climate the missing voice is that of Paul The New Testament's most prolific church planter Paul faced diverse challenges as he worked to form congregations Leading biblical scholar James Thompson examines Paul's ministry of planting and nurturing churches in the pre Christian world to offer guidance for the contemporary church The church today as then must define itself and its mission among people who have been shaped by other experiences of community Thompson shows that Paul offers an unprecedented vision of the community that is being conformed to the image of Christ He also addresses contemporary misunderstandings of words like missional megachurch and formation The Restless Church Mark Fairley, 2014-02-19 Many people are longing for a greater cause They are no longer content with

church as usual They read of the church in the New Testament and their curiosity is piqued The New Testament accounts are far removed from their experience every week They hear contemporary stories of the church expanding rapidly in parts of China and India and their hearts soar Neil Cole Have you ever read the Bible and wondered why the early church is so far removed from the one we experience today Have you ever wondered why a church so thrilling real authentic and powerful in the pages of the New Testament seems to have been rendered so dull fake hypocritical and weak by our contemporary formulas Are you tiring of a stale weekly ritual that doesn't seem to be making any discernible difference The truth is that the church we have come to know looks very little like the one Jesus intended The simple informal community characterised by love that we read about in Acts has become a formalized ritual driven by apathy fear comfort market forces and man made tradition Over time the vibrant community of Jewish believers who fearlessly spread the gospel healed the sick and cast out demons has become a broken empty institution and an irrelevance to the world around it And now provoked by the Holy Spirit the church is getting restless We're beginning to question the rituals the churchianity and the Sunday show routine and starting to ask what it might be like to go back to genuine New Testament Christianity There's a longing to be a part of that vibrant loving informal powerful raw and life changing community once again In *The Restless Church* we deconstruct what the church has become show what a genuine New Testament church might look like today and invite you to become part of the worldwide movement for change [Practical Christianity](#) Ira Milligan, 2021-12-12 *Practical Christianity* Rediscovering the New Testament Church is a field manual for effective spiritual warfare God's mighty army is disorganized and uncertain of how to fight against the subtle and deceptive hit and run tactics the enemy is using This book's twofold purpose is to provide a biblical training manual to raise up an effective fighting force for war along with detailed instructions for making a new wineskin to serve the new wine that God has for this generation Our old wineskin cannot contain or sustain the billion soul end time harvest that God has planned To fight and win a billion souls to Christ and then lose them from the lack of a trained workforce to nurture and disciple them would be a catastrophic loss The time to prepare is now

Rediscovering Jesus David B. Capes, Rodney Reeves, E. Randolph Richards, 2015-07-08 Who is your Jesus This textbook introduction gives an enjoyable and challenging look at how we encounter Jesus in Scripture and our culture from the New Testament to the gnostic gospels historical Jesus studies Islam Mormonism Hollywood and Americana Follow the path to seeing Jesus truly and notice the difference it makes for faith and life **Rediscovering New Testament Prayer** John Koenig, 2004-04-09 John Koenig presents a rich variety of prayer practices that reflect the real prayer experience of Christ and his followers Recapturing the earliest believers extraordinary encounters with the Holy Koenig offers prayer as instruction for the mind renewal of the spirit and help in effecting positive change in one's life *Fire Your Pastor* Lonnie Wibberding, 2017-09-22 *Fire Your Pastor* is a call to a more biblical church structure The author suggests thousands have missed a relationship with Jesus due to the way churches choose to minister The book is written from a Seventh day

Adventist background but is applicable to any Christian denomination

Rediscovering Worship Wendy

Porter, 2015-06-16 Many opinions contend in the church today for what constitutes true worship of God and how best it can be practiced This collection of essays carries on a conversation between biblical scholars and church music practitioners It begins with three studies investigating what we can learn about worship in the Old Testament followed by essays on the teaching about worship in the Gospels Epistles and the book of Revelation in the New Testament The church music practitioners featured in the book respond to each of these essays The final essay by Wendy Porter takes a historical journey of theological reflection on Christian worship from the days of the early church tracing worship developments in the Western church through the centuries to today This is an important book for anyone who wants to think theologically about how and why Christians worship God Free for All (ēmerision: Emergent Village resources for communities of faith) Tim

Conder, Daniel Rhodes, 2009-08-01 Is our study of the Bible as pure as we think it is In Free for All Tim Conder and Daniel Rhodes show how the way we read the Bible is held captive by the dominant culture in which we find ourselves They aim to expose the cultural authorities that influence our understanding of the Bible and provide a way for communities to encounter the text as communities This journey into community interpretation of the Bible not only honors the text and liberates its voice but also catalyzes transformative practices of proclamation hospitality ethics mission and imagination Church leaders pastors small group leaders and those interested in the emerging church conversation will find Free for All an energizing resource to infuse their study of God's Word with new life **Rediscovering Discipleship** Robby Gallaty, 2015-10-20

Discipleship is the buzzword today Many believers are contemplating in a fresh way what it means to take the Great Commission seriously Rediscovering Discipleship takes the guesswork out of Christian maturity Based on insights gained from a decade of personally making disciples author and pastor Robby Gallaty tackles the two hindrances that keep believers from getting involved in making disciples ignorance and uncertainty Since many believers have never been personally disciple they have no model to guide them in discipling others Their ignorance of the process fuels their uncertainty which leaves them crippled from the start With simple principles that are easy to apply Rediscovering Discipleship provides readers with the tools to follow the Great Commission to go and actually make disciples who multiply and make disciples Gallaty begins with a brief historical overview of the discipleship ministries of influential theologians preachers and pastors from years past and then identifies roadblocks that hinder believers from becoming disciples before offering a step by step process for readers to immediately get started on the path to effective disciple making Rediscovering Jesus Tony

Foster, 2022-01-25 Rediscovering Jesus is a book about taking a fresh new look at the claims of this amazing historical figure name Jesus Christ I say this in all humility but honestly I believe in my experience over the last 32 years of being a Christian and working with churches that the church has many misconceptions about who Jesus is When you do not have a proper understanding of the Bible as a Christian then your foundation will be faulty You cannot build a house to last for generations

on a faulty foundation I have taken an apologetic approach to writing this book Apologetics can be defined as a defense of the Christian faith Apologetics is giving a rational presentation for and providing the intellectual basis of the truth claims of biblical Christianity I wanted to give the reader enough information where it s not too academic but academic enough that you could have a theological historical and philosophical understanding of the claims of Jesus I pray that this book will give you a revelation and understanding of the greatest man who ever lived Jesus Christ I believe that Jesus is fully God and fully man The purpose of this book is to show the evidence that you will know and consider that Jesus is truly the Son of God And that you may receive him as your Lord and Savior In this critical time in our history the only answer to true freedom and liberty is by Rediscovering Jesus the true Savior of the world *Rediscovering Jesus* Dr. Tony Foster,2022-01-25

T. Wright,2024-10-22 A new and inviting introduction to the Acts of the Apostles from New Testament scholar and theologian N T Wright Acts is a substantial book It sits right in the middle of the New Testament looking back to the four Gospels and ahead to the mission of the early church It provides a framework for our understanding of the letters but it does more than that Acts offers a sophisticated and nuanced view of what it means to think of the gospel of Jesus Israel s Messiah going out into the world over which Israel s Messiah claims the status of Lord This Christian movement and thinking detailed in Acts entailed confronting the wider culture of the Greek and Roman world as well as the culture of the Jewish world which provides us today with an important message as we ourselves face new questions about gospel and contemporary culture From the renowned author of *Into the Heart of Romans* N T Wright brings to the book of Acts his expert s eye on theological nuance and cultural context distilling it down into an introductory commentary perfect for anyone looking to take their own reading a little deeper and discover the profound and often forgotten potential of the church and the Way of Jesus Christ *Rediscovering Our Spiritual Gifts* Charles V.
