CHEMISTRY TEST

Part A

No calculator

Directions: Each set of lettered choices below refers to the numbered questions, formulas, or statements immediately following it. Select the one lettered choice that best answers each question or best fits each formula or statement and then blacken the corresponding space on the answer sheet. A choice may be used once, more than once, or not at all in each set.

Questions 1-4

- (A) Thermometer
- (B) Separatory funnel
- (C) Flame spectrophotometer
- (D) Burette
- (E) Volumetric flask

1. Used to study the characteristic emission lines produced by excited atoms of elements
2. Used for the preparation of solutions of specific concentrations when a solid is used as the solute
3. Commonly used for removing the water layer from a system containing oil and water
4. Used for volume measurements during titration

Questions 5-9

- (A) Linear
- (B) Bent (V-shaped)
- (C) Trigonal, planar
- (D) Pyramidal
- (E) Regular tetrahedral

From the list above, select the shape that describes each of the following.

5. H_2O
6. BI_3
7. NH_3
8. Br_2
9. NH_4^+

Questions 10-12

- (A) NaHCO_3
- (B) H_2SO_4
- (C) CH_4
- (D) $\text{Ca}(\text{OH})_2$
- (E) C_2H_{18}

10. A significant constituent of baking powders
11. A constituent of gasoline
12. A major constituent of natural gas

Questions 13-15

- (A) $3 \text{O}_2(g) \rightleftharpoons 2 \text{O}_3(g)$
- (B) $\text{OH}^- + \text{H}_3\text{O}^+ \rightleftharpoons 2 \text{H}_2\text{O}$
- (C) $\text{BaCl}_2 \cdot 2 \text{H}_2\text{O}(s) \xrightarrow{\Delta} \text{BaCl}_2(s) + 2 \text{H}_2\text{O}(g)$
- (D) $\text{Ca}^{2+} + \text{CO}_3^{2-} \rightarrow \text{CaCO}_3(s)$
- (E) $\text{Fe} + \text{Cu}^{2+} \rightleftharpoons \text{Fe}^{2+} + \text{Cu}$

13. Represents an oxidation-reduction reaction
14. Involves the formation of an ionic precipitate from a solution
15. Represents a Brønsted acid-base reaction

you will be when you take the exam

FORMAT OF THE SAT II CHEMISTRY

The SAT II Chemistry is a one hour exam consisting of 85 multiple choice questions The first part of the exam consists of classification questions This question type presents a list of statements or questions that you must match up with a group of choices lettered A through E Each choice may be used once more than once or not at all The exam then shifts to relationship analysis questions which you will answer in a specially numbered section of your answer sheet You will have to determine if each of two statements is true or false and if the second statement is a correct explanation of the first The last section is composed strictly of multiple choice questions with choices lettered A through E

Material Tested

The following chart summarizes the distribution of topics covered on the SAT II Chemistry Subject Test

Topic	Percentage	Number of Questions
Atomic	however do not review too much at any one time	
Concentrate on one problem area at a time by reviewing the questions and explanations and by studying our review until you are confident you completely understand the material		
Keep track of your scores By doing so you will be able to gauge your progress and discover general weaknesses in particular sections		
You should carefully study the reviews that cover your areas of difficulty as this will build your skills in those areas		

TEST TAKING TIPS

Although you may be unfamiliar with standardized tests such as the SAT II Chemistry Subject Test there are many ways to acquaint yourself with this type of examination and help alleviate your test taking anxieties Become comfortable with the format of the exam When you are practicing to take the SAT II Chemistry Subject Test simulate the conditions under which you will be taking the actual test Stay calm and pace yourself After simulating the test only a couple of times you will boost your chances of doing well and you will be able to sit down for the actual exam with much more confidence Know the directions and format for each section of the test Familiarizing yourself with the directions and format of the exam will not only save you time but will also ensure that you are familiar enough with the SAT II Chemistry Subject Test to avoid nervousness and the mistakes caused by being nervous Do your scratchwork in the margins of the test booklet You will not be given scrap paper during the exam and you may not perform scratchwork on your answer sheet Space is provided in your test booklet to do any necessary work or draw diagrams If you are unsure of an answer guess However if you do guess guess wisely Use the process of elimination by going through each answer to a question and ruling out as many of the answer choices as possible By eliminating three answer choices you give yourself a fifty fifty chance of answering correctly since there will only be two choices left from which to make your guess Mark your answers in the appropriate spaces on the answer sheet Fill in the oval that corresponds to your answer darkly completely and neatly You can change your answer but remember to completely erase your old answer Any stray lines or unnecessary marks may cause the machine to score your answer incorrectly When you have finished working on a section you may want to go back and check to make sure your answers correspond to the correct questions Marking one answer in the wrong space will throw off the rest of your test whether it is graded by machine or by hand You don't have to answer every question You are not penalized if you do not answer every question The only penalty results from answering a

question incorrectly Try to use the guessing strategy but if you are truly stumped by a question remember that you do not have to answer it Work quickly and steadily You have a limited amount of time to work on each section so you need to work quickly and steadily Avoid focusing on one problem for too long Before the Test Make sure you know where your test center is well in advance of your test day so you do not get lost on the day of the test On the night before the test gather together the materials you will need the next day Your admission ticket Two forms of identification e g driver s license student identification card or current alien registration card Two No 2 pencils with erasers Directions to the test center A watch if you wish but not one that makes noise as it may disturb other test takers On the day of the test you should wake up early after a good night s rest and have breakfast Dress comfortably so that you are not distracted by being too hot or too cold while taking the test Also plan to arrive at the test center early This will allow you to collect your thoughts and relax before the test and will also spare you the stress of being late If you arrive after the test begins you will not be admitted to the test center and you will not receive a refund During the Test When you arrive at the test center try to find a seat where you feel most comfortable Follow all the rules and instructions given by the test supervisor If you do not you risk being dismissed from the test and having your scores canceled Once all the test materials are passed out the test instructor will give you directions for filling out your answer sheet Fill this sheet out carefully since this information will appear on your score report After the Test When you have completed the SAT II Chemistry Subject Test you may hand in your test materials and leave Then go home and relax When Will I Receive My Score Report and What Will It Look Like You should receive your score report about five weeks after you take the test This report will include your scores percentile ranks and interpretive information

SAT Subject Test Kevin R. Reel, 2006 Master the SAT Chemistry Subject Test and score higher Our test experts show you the right way to prepare for this important college exam REA s SAT Chemistry test prep covers all chemistry topics that appear on the actual exam including in depth coverage of the laws of chemistry properties of solids gases and liquids chemical reactions and more The book features 6 full length practice SAT Chemistry exams Each practice exam question is fully explained to help you better understand the subject material Follow up your study with REA s proven test taking strategies drills and adaptable study schedule that get you ready for test day

DETAILS Comprehensive review of every chemistry topic to appear on the SAT subject test Flexible study schedule tailored to your needs Packed with proven test tips strategies and advice to help you master the test 6 full length practice SAT Chemistry Subject tests Each test question is answered in complete detail with easy to follow easy to grasp explanations The book s handy Periodic Table of Elements allows for quick answers on the elements appearing on the exam

Cracking the SAT II Princeton Review (Firm), 2003-03-11 Our inventive strategies and unique approach to standardized tests have revolutionized the test prep industry and made our SAT course the biggest in the world in just a few short years The techniques we teach in our courses are in this book And If It s on the SAT II French Subject Test It s in This Book The Princeton Review realizes that acing the

SAT II French Subject Test is very different from getting straight A's in school. We don't try to teach you everything there is to know about French; only the techniques you'll need to score higher on the exam. There's a big difference. In *Cracking the SAT II French*, we'll teach you how to think like the test writers and study effectively and know in advance what material is likely to be tested. Ace the exam by reviewing and mastering vocabulary, grammar, and reading comprehension. Use Process of Elimination and other techniques to solve difficult questions that will boost your score. This book includes two full-length practice SAT II French Subject Tests. All of our practice test questions are just like the ones you'll see on the actual exam, and we fully explain every solution.

Cracking the SAT II Chemistry Theodore Silver, Princeton Review (Firm), 2005-03 Why The Princeton Review 1 We Know the SAT Chemistry Subject Test The experts at The Princeton Review have spent many years researching the SAT Chemistry Subject Test as well as numerous other standardized tests. We're confident this guide delivers the most current and complete information you need to ace this test. 2 We Get Results Our inventive approach to standardized test taking has revolutionized the test prep industry and made our courses and tutoring for the SAT and SAT Subject Tests the most popular anywhere. The same proven techniques we teach in our courses are also covered in this book. 3 We Understand Students Each year we help more than two million students score higher on standardized tests and gain admission to top schools with our books, courses, tutors, and online tools. 4 And If It's on the SAT Chemistry Subject Test It's in This Book The Princeton Review realizes that acing the SAT Chemistry Subject Test is very different from getting straight A's in school. We don't try to teach you everything there is to know about chemistry; only the techniques and information you'll need to maximize your score. In *Cracking the SAT Chemistry Subject Test*, we'll teach you how to think like the test writers and master test-taking strategies that will improve your score. Ace the exam by familiarizing yourself with its format. Use Process of Elimination and other proven test-taking techniques to solve complicated problems. Perfect your test-taking skills with practice questions and detailed answers and explanations. This book includes three full-length practice SAT Chemistry Subject Tests. All of our practice test questions are just like those you'll see on the actual test, and we fully explain every question. Attend Free Practice Tests and Strategy Sessions We're not just good on paper; you should see us live. The Princeton Review frequently offers free events to students and parents. Evaluate Your Options Thousands of students prepare for standardized tests with our books, courses, and tutoring programs. Get on the Inside Track for College Admissions Gaining admission to top colleges takes more than a high test score. Other important qualifiers may include a strong admissions essay, GPA, and volunteer work. To learn more about our many books, programs, and services, go to PrincetonReview.com or call us at 800-2REVIEW.

Cracking the SAT Chemistry Subject Test, 2013-2014 Edition Princeton Review, 2013-04-23 If you need to know it, it's in this book. This eBook version of the 2013-2014 edition of *Cracking the SAT Chemistry Subject Test* has been optimized for on-screen viewing with cross-linked questions, answers, and explanations. It includes 3 full-length practice tests with detailed explanations. Review of all essential content from chemical equations to kinetics to electron configurations.

Helpful study lists of key lab equipment and a cheat sheet of important equations Key strategies that will help maximize your score Tons of sample problems and drills with detailed explanations

Cracking the SAT Chemistry Subject Test, 15th Edition Princeton Review, 2015-02-17 EVERYTHING YOU NEED TO HELP SCORE A PERFECT 800 Equip yourself to ace the SAT Chemistry Subject Test with The Princeton Review's comprehensive study guide including 3 full length practice tests thorough reviews of key chemistry topics and targeted strategies for every question type This eBook edition has been optimized for on screen viewing with cross linked questions answers and explanations We don't have to tell you how tough SAT Chemistry is or how helpful a stellar exam score can be for your chances of getting into your top choice college Written by the experts at The Princeton Review Cracking the SAT Chemistry Subject Test arms you to take on the test and achieve your highest score Techniques That Actually Work Tried and true strategies to help you avoid traps and beat the test Tips for pacing yourself and guessing logically Essential tactics to help you work smarter not harder Everything You Need to Know to Help Achieve a High Score Expert subject reviews for every test topic Up to date information on the SAT Chemistry Subject Test Score conversion tables for accurate self assessment Practice Your Way to Perfection 3 full length practice tests with detailed answer explanations Hands on experience with all three question types in each content chapter Complete study sheet of core formulas and terms

Released Sat Ii Chemistry Exams Introduction

In this digital age, the convenience of accessing information at our fingertips has become a necessity. Whether its research papers, eBooks, or user manuals, PDF files have become the preferred format for sharing and reading documents. However, the cost associated with purchasing PDF files can sometimes be a barrier for many individuals and organizations. Thankfully, there are numerous websites and platforms that allow users to download free PDF files legally. In this article, we will explore some of the best platforms to download free PDFs. One of the most popular platforms to download free PDF files is Project Gutenberg. This online library offers over 60,000 free eBooks that are in the public domain. From classic literature to historical documents, Project Gutenberg provides a wide range of PDF files that can be downloaded and enjoyed on various devices. The website is user-friendly and allows users to search for specific titles or browse through different categories. Another reliable platform for downloading Released Sat Ii Chemistry Exams free PDF files is Open Library. With its vast collection of over 1 million eBooks, Open Library has something for every reader. The website offers a seamless experience by providing options to borrow or download PDF files. Users simply need to create a free account to access this treasure trove of knowledge. Open Library also allows users to contribute by uploading and sharing their own PDF files, making it a collaborative platform for book enthusiasts. For those interested in academic resources, there are websites dedicated to providing free PDFs of research papers and scientific articles. One such website is Academia.edu, which allows researchers and scholars to share their work with a global audience. Users can download PDF files of research papers, theses, and dissertations covering a wide range of subjects. Academia.edu also provides a platform for discussions and networking within the academic community. When it comes to downloading Released Sat Ii Chemistry Exams free PDF files of magazines, brochures, and catalogs, Issuu is a popular choice. This digital publishing platform hosts a vast collection of publications from around the world. Users can search for specific titles or explore various categories and genres. Issuu offers a seamless reading experience with its user-friendly interface and allows users to download PDF files for offline reading. Apart from dedicated platforms, search engines also play a crucial role in finding free PDF files. Google, for instance, has an advanced search feature that allows users to filter results by file type. By specifying the file type as "PDF," users can find websites that offer free PDF downloads on a specific topic. While downloading Released Sat Ii Chemistry Exams free PDF files is convenient, its important to note that copyright laws must be respected. Always ensure that the PDF files you download are legally available for free. Many authors and publishers voluntarily provide free PDF versions of their work, but its essential to be cautious and verify the authenticity of the source before downloading Released Sat Ii Chemistry Exams. In conclusion, the internet offers numerous platforms and websites that allow users to download free PDF files legally. Whether its classic

literature, research papers, or magazines, there is something for everyone. The platforms mentioned in this article, such as Project Gutenberg, Open Library, Academia.edu, and Issuu, provide access to a vast collection of PDF files. However, users should always be cautious and verify the legality of the source before downloading Released Sat Ii Chemistry Exams any PDF files. With these platforms, the world of PDF downloads is just a click away.
