Rolls Royce 40 50 Hp Six Cylinders Cars Instruction Owners Manual:

Instructions for the Care of Rolls-Royce Cars Rolls Royce, 2009 THE SECRET OF SUCCESSFUL RUNNING

Examination of privately owned cars has demonstrated that while some drivers realise the necessity of periodical lubrication of all moving parts others who have not been trained as mechanics content themselves by oiling the parts which come immediately under their eye and neglect other parts thus allowing the chassis to be injured to become noisy and inefficient and their masters to be put to unnecessary expense in repairs An endeavour has been made in this book by means of copious illustrations to enable the least experienced owner to satisfy himself if his driver is or is not giving the attention which is indispensable for the economical and satisfactory working of a chassis First issued January 1911 reprinted June 1920
