A Room with a View, Where Angels Fear to Tread E.M. Forster, 2011-10-04 E M Forster's beloved Italian novels now in an Everyman's Library Contemporary Classics single hardcover volume Forster's most memorably romantic exploration of the liberating effects of Italy on the English A Room with a View follows the carefully chaperoned Lucy Honeychurch to Florence There she meets the unconventional George Emerson and finds herself inspired by his refreshingly free spirit which puts her in mind of a room with a view to escape the claustrophobic snobbery of her guardians back in England The wicked tragicomedy Where Angels Fear to Tread chronicles a young English widow's trip to Italy and its messy aftermath When Lilia Herriton impulsively marries a penniless Italian and then dies in childbirth her first husband's family sets out to rescue the child from his uncivilized surroundings But in ways that they can't possibly imagine their narrow preconceptions will be upended by the rich and varied charms of Forster's cherished Italy Everyman's Library pursues the highest production standards printing on acid free cream colored paper with full cloth cases with two color foil stamping decorative endpapers silk ribbon markers European style half round spines and a full color illustrated jacket Contemporary Classics include an introduction a select bibliography and a chronology of the author's life and times *Twelve Rooms with a View* Theresa Rebeck, 2010-05-04 How would it feel to go overnight from living in a trailer park to a twelve room apartment overlooking Central Park in a landmark Victorian building This is what happens to housecleaner Tina Finn who with her sisters Alison and Lucy suddenly comes into possession of the Livingston Mansion Apartment at the Edgewood The Finn sisters inherit the 11 million property from their estranged alcoholic mother but they aren't the only siblings vying for it Their mother's wealthy second husband Bill who died just three weeks before Tina's mother has two sons And they are furious at the thought of losing the apartment that's been in their family for generations Tina moves into the nearly vacant palatial space to solidify her claim to it but she soon discovers that Bill's sons aren't the only ones who want her out The building's other residents are none too pleased by her presence either In fact the co op board has designs on wresting control of the apartment from both sets of children As Tina fends off all the people who want to evict her or worse she starts to get involved in her neighbors complex lives There's the mercurial eccentric botanist who may be either a friend or an enemy the self absorbed randy son of the co op board president whose friendship without benefits Tina tries to curry the large chaotic family whose depressed teenage daughter becomes Tina's ally and spy the ghost Tina hears crying at night in her apartment's secret room In this entertaining yarn by acclaimed playwright screenwriter and author Theresa Rebeck we follow Tina Finn a woman both comical and compelling well intentioned and a bit of a thief as she begins to love her new home discovers traits to admire in people she's only just met and realizes finally her place in her family and the world **Mr Micawber Down Under** David Barry, 2022-10-13 The ever optimistic Mr Micawber bids a fond farewell to David Copperfield and takes his family to Australia confident their lives will change for the better However more than florid language and optimism is needed to survive in this

Nassif, 2018-05-29 This book had me from the very first page I remember the emotional roller coaster I had to overcome before I had the courage to fight back There was betrayal at the highest level by the people I less expected Dropping the ball in life doesn't mean that your old colleagues and friends would stand side by side with you especially when life decides to bring a little adversity and drama your way The next thing you know you wake up one morning and everything is suddenly gone You ask yourself Is this reality or just a horrible dream Growing up I thought I was untouchable surrounded by a circle of friends who were talented inspiring and successful On the other end were a new group of people slowly inviting themselves into my life each one of them I had not met but somehow someone had put them there in their positions I found myself losing control as my journey continued to come crashing in on me One thing I can say is I never forgot my roots and values As each chapter unfolds you will see how this book intensifies Forget your favorite TV programs because this book has it all My business partner and I will take you far beyond the norm Who is this person that I put my trust in How far will he go to achieve whatever it was he had planned Is this man narcissistic or is he just pure evil How much can one person take before he finally explodes Watch and see how this person lures me into countries that are known for their dangerous shores from naval bases to South African embassies from courtrooms to dungeons inclusive of two separate trials See how the media uninvitingly make their presence felt See the corruption surrounding the police with evidence being falsified One lesson that I learned about myself after continuously being exposed to things beyond my control was that in life whatever doesn't kill you will definitely make you stronger Love Down Under Rosalind James, Tracey Alvarez, Diana Fraser, H.Y.
