No Ones Son:

Son of No One Sherrilyn Kenyon, 2014-09-02 In the New York Times bestseller *Son of No One* part of the blockbuster *The Dark Hunters* series by Sherrilyn Kenyon it's not easy being life's own personal joke but Josette Landry has made an unstable peace with the beast Completely down on her luck Josette takes a job with a local paranormal group as a photographer and camerawoman Yeah they're even crazier than she is The only paranormal thing she believes in is the miracle that keeps her rusted out hoopty running But when something truly evil is released into the world they are forced to call in reinforcements From the moment Josette meets Cadegan she knows something about him isn't quite right Mysterious and armed with lethal sarcasm he seems a lot older than his age Centuries ago Cadegan was viciously betrayed into an immortal prison by the only person he'd ever trusted and was cast into an immortal prison Forced against his will to do good he hates everything in life All he wants is a way out But for the damned there is only eternal suffering And yet there is something about Josette that intrigues him Something he can't seem to fight and the last time he felt this way about a woman it cost him everything He knows he has to stay away from her but the unleashed demon is hell bent on consuming her soul If one more innocent is taken he will be sent back to an unimaginable prison that makes his current hell look like paradise But how can he keep her safe when his being with her is the greatest threat of all

The Gospel According to the Trinity Nicholas S. Perez, 2025-04-22 The gospel begins with God God exists eternally as Father Son and Holy Spirit How does what we believe about the Trinity impact the redemption of people before time began in time all the way to when time is no more In *The Gospel According to Trinity* Nicholas S Perez takes readers from eternity to eternity exploring the work of the triune God in redeeming people While considering arguments from within his own ecclesiastical setting the Stone Campbell Movement he challenges understandings of the outworking of redemption that do not maintain Trinitarian harmony and agreement between the Father the Son and the Holy Spirit The result is a more consistent view of the gospel within a Trinitarian framework
