 Aiyekooto learned about birds calls before title of this anthology Not strange research highlighted interesting aspects of bird
 character Birds make different calls for different reasons Distinctly they are mood calls There's poetry in the repeated calls
 So after listening to birds calls and responses I grouped identifiable birds calls into 5 moods movements Beak Up Call
 Turning Beak Calls Discordant Call Twitching Beak Calls Synchronized Calls I didn't write about birds nature in this
 anthology Nor write a tweet about birds However I learned that birds calls and responses are no different in nature to those
 of humans I versed 50 new poems into these five 5 Moods for I found out that the overall theme of all human as well as birds
 calls is love The different variants are occasioned by the mood of the caller and that determines the expected response of
 others in relation I hope you enjoy these poems tweeting chirping and singing *Poems of a Spiritual Awakening*
 Anonymous,2014-04-11 Poems of a Spiritual Awakening offers an intimate look at one poet's own spiritual awakening over a
 period of twenty seven years going into and out of recovery Most critical to this awakening is the all inclusive universal
 power of a loving God as He revealed Himself to the author through this inspiring poetry After many years knowing that
 change was needed but having no success finding what others had discovered to enable their recoveries the author began
 writing poetry to express those innermost feelings Through these verses God became an overwhelming presence awakening
 the author's innermost emotions and the need to finally begin recovery from addiction From the pain of acknowledging a
 troubled past in Boogie Man to the poignancy of Self Love the author gradually found a way to express deeply buried
 emotions and fears This poetry collection was written in less than fifty days with God providing the path to release and
 recovery The Voice I had a voice I made much noise I knew just what to do I yelled in here I talked out there the voice within
 my mind it drove me very blind I thought out there I thought out here could hardly get some air and then your voice that still
 small sound just threw me to the ground It quieted my spirit true and showed me what to do Tove Neyrey,2020-07-07
 Sometimes a father breaks your heart before a man ever has a chance to This is the case for Tove After she's given to a
 dealer as a form of payment by the man who was supposed to protect her Tove finds herself imprisoned and a servant to a
 man infatuated with her being However with her struggle to trust again in the way of her having an actual relationship with a
 man Tove's mindset has her thinking she's tainted forever Will her not so subtle savior change her mind Or is their love story
 destined for tragedy Jahi is the baby of a Tanzanian family and has never heard no in his life If he can touch it and he wants it
 and Tove is no different After he makes his mind up that she's the woman he has to have he puts his plan in action What he
 doesn't expect is to be forced with trying to break down the brick wall called Tove Between fighting a battle that seems
 endless and that he's unable to win and fighting his family on matters beyond his control will Jahi be the hero to Tove that he
 wants to be or is he fighting in a war that can't be won *Everything I Need* Ann E. Christopher,2018-10-29 Duty calls this
