Standards Primer Raymond A. Horn, 2004 The lives of America s students educators and parents are being significantly touched by the current standards and accountability reform The Standards Primer explores the historical development of this reform and compares two different views of educational standards and accountability technical standards and standards of complexity How each view impacts curriculum instruction and assessment is discussed and implications of these views for teachers administrators school boards parents community and students are presented along with a discussion of related issues involving equity and ethics on this topic The Standards Primer provides critical

information including an extensive reference section containing print and nonprint resources that will lead to informed decision making concerning this national educational reform
