Nostradamus and His Prophecies Edgar Leoni, 2013-07-25 Complete definitive study biography historical background and parallel texts in English and French of all the prophecies most of the famous and infamous interpretations and much more

Nostradamus Stéphane Gerson, 2012-10-30 We all know the name Nostradamus but who was he really Why did his predictions become so influential in Renaissance Europe and then keep resurfacing for nearly five centuries And what does Nostradamus s endurance in the West say about us and our own world In Nostradamus How an Obscure Renaissance Astrologer Became the Modern Prophet of Doom historian St phane Gerson takes readers on a journey back in time to explore the life and afterlife of Michel de Nostredame the astrologer whose Prophecies have been interpreted adopted by successive media and eventually transformed into the Gospel of Doom for the modern age Whenever we seem to enter a new era whenever the premises of our worldview are questioned or imperiled Nostradamus offers certainty and solace In 1666 guests at posh English dinner parties discussed his quatrain about the Great Fire of London In 1942 the Jewish writer Ir ne N mirovsky latched her hopes for survival to Nostradamus prediction that the war would soon end And on September 12 2001 teenagers proclaimed on the streets of Brooklyn that this guy Nostradamus had seen the 9 11 attacks coming Through prodigious research in European and American archives Gerson shows that Nostradamus a creature of the modern West rather than a vestige from some antediluvian era tells us more about our past and our present than about our future In chronicling the life of this mystifying figure and the lasting fascination with his predictions Gerson s book becomes a historical biography of a belief the faith that we can know tomorrow and master our anxieties through the powers of an extraordinary but ever more elusive seer **Nostradamus: Life and Literature** Nostradamus, Edgar Leoni, 1961 ,
