Buddhist Hybrid Sanskrit Grammar and Dictionary ,1985 A Buddhist hybrid sanskrit grammar and dictionary by Franklin Edgerton International Handbook on the Demography of Sexuality Amanda K. Baumle, 2013-05-13 The International Handbook on the Demography of Sexuality is the first book to specifically address the study of sexuality from a demographic perspective Demographic research has largely paid little attention to sexuality as a whole or sexual orientation in particular other than in studies examining the consequences of sex sexually transmitted infections or fertility Instead the content of this handbook explores population sexuality in order to describe the prevalence of sexual behaviors desires and identities as well as their connections with other demographic outcomes The focus is on analyzing sexuality as a demographic topic in its own right rather than solely as a variable in studies of sexually transmitted infection or other health related topics In this book both researchers with traditional demographic backgrounds as well as those with training in other disciplines provide an overview of the state of current research on population sexuality These chapters provide a foundation for the development of research in the burgeoning field of the demography of sexuality *A New English Dictionary on Historical Principles* ,1893
