## Constitutional Powers

**Expressed powers-** Powers specifically given to Congress in Article 1 Section 8.

**Delegated powers-** Government function granted and assigned to a specific branch of the federal government under the U.S. Constitution.

**Implied powers-** Powers not directly stated in the Constitution but rather interpreted as belonging to the national government.

**Concurrent powers-** Powers shared by the national, state, and or local government.

**Reserved powers-**State government powers

**Resolution-**

**Jurisdiction-** the authority of a court to hear certain types of cases; the authority or geographic area of authority to enforce laws or make legal judgements.

**Elastic clause-**allows the government to make laws that are considered necessary and proper that are not directly given in the Constitution.

**General welfare clause-** powers granted to the federal government to create legislation that promotes the general public, thus upholding its duties listed in the Preamble.

**Interstate commerce-**activity involving people or businesses in more than one state

Add examples of each power to the following chart:

| Delegated to the Federal Government                                                                                                                                                                                                                                         | Concurrent, or Shared, Powers                                                                                                                                                                                                                                              | Reserved to the State Governments                                                                                                                                                                                                                                           |
